The Mount Madonna Institute Catalog is updated annually in August. The current catalog is extended through December 2022 as the institute moves to an annual publication in January.

Revisions to the Academic Catalog
Mount Madonna Institute reserves the right to make any changes in the curriculum, procedures, policies, location, schedule, and tuition published in this edition of the Academic Catalog. All students, both those currently enrolled as well as those newly enrolled, will be subject to the curriculum requirements of the new catalog as well as any tuition increase. New laws and regulations are reflected in policies in annual catalog revisions.
Last revised 8/25/22.

Mount Madonna Institute

Mount Madonna Institute is a private non-profit educational institution for higher learning accredited by the WASC Senior College and University Commission, a Federal Department of Education approved accrediting body (Western Association of Schools and Colleges).

It is also approved to operate by the California Bureau for Private Postsecondary Education. Approval to operate means the institution is compliant with the minimum standards contained in the California Private Postsecondary Education Act of 2009 (as amended) and Division 7.5 of Title 5 of the California Code of Regulations.

Mount Madonna Institute includes three Schools which offer stackable certificates and a Master of Arts-Ayurveda degree:

1. The College of Ayurveda
   - Ayurvedic Health Counselor (AHC) Diploma
   - Certificate - Ayurvedic Practitioner (C-AP)
   - Master of Arts - Ayurveda (Degree)

2. The School of Yoga - Certificates
   - Ashtanga Yoga Teaching Training 200 Hour Level (Foundational Yoga Studies)
   - Ashtanga Yoga Teaching Training 300 Hour Level (Advanced Yoga Studies)
   - Ayurveda Yoga Training (AYT)
   - Ashtanga Yoga Prenatal Teacher Training
   - Children’s Yoga Teacher Training

3. *The School of Community Studies - Service Learning Emphasis
   - Community Studies – Part 1
   - Community Studies – Part 2

*Interdisciplinary program between both schools.

*The Community Studies Program is currently under redesign. Check the Mount Madonna Institute Calendar for more information on the next program start date.

The Institute is located at Mount Madonna Center on 380 mountaintop acres of redwood forest and grassland overlooking the Monterey Bay Area on the central coast of northern California. Mount Madonna Center, which since 1978 has been known for the excellence of its Yoga, Ayurveda, and other transformational programs, is home to a well-established intentional residential yoga community. It provides an atmosphere for relaxation, reflection, and transformational learning and practice.

The conference and retreat setting offers a wide variety and range of prices for residential housing accommodations, a dining room featuring excellent vegetarian meals, an Ayurvedic herbal dispensary, and a wellness center offering Ayurvedic consultations, massage, and other traditional body work therapies. The property also features a large organic garden, many hiking trails, and tennis, volleyball, and basketball courts.

Mount Madonna Institute on site classes are held in this setting, at 445 Summit Road, Watsonville, CA 95076.

Classrooms are located in the Seminar House, Orchard House, or Conference Center buildings at Mount Madonna Center, depending upon size of student body. Each classroom has a large white board, individual desks and chairs, audio visual equipment as requested, water and tea bar, and additional equipment such as clinical treatment tables and healthcare equipment as needed. There is a small library available to students, with wireless Internet available in the classrooms and elsewhere on the campus. Institute administrative offices are located in the Orchard House.

MISSION STATEMENT
The Mount Madonna Institute is committed to wellness and positive transformation.
We offer trainings, certificates, and graduate degrees that integrate the traditional systems of Yoga, Ayurveda and Community with contemporary life and prepare graduates for a variety of careers in the integrative health professions.
EDUCATIONAL PHILOSOPHY & GOALS
Mount Madonna Institute is a non-profit educational institution providing high quality, professional and academic instruction, and training in the fields of Yoga, Ayurveda, and Community Studies, with a Master of Arts degree in Ayurveda. These programs integrate theoretical and experiential education and training, preparing graduates for professional careers, community service, and lifelong learning.

The goal of Mount Madonna Institute (MMI) is to educate contemporary learners in ancient teachings and practices of traditional natural healing systems that integrate mind, body, and spirit. MMI offers courses in the classical system of Ashtanga Yoga, both practice and philosophy; the 5,000-year-old science of Ayurveda, the world’s oldest known system of natural medicine; and Community Studies, a program that emphasizes self-reflection, awareness, and transformational learning for self and the communities and environments within which we live and work.

The Institute seeks to train highly qualified practitioners, teachers, and facilitators. The Institute offers its graduates Diplomas, Certificates, and a Master of Arts degree.

WASC ACCREDITATION
Mount Madonna Institute has been awarded Initial Accreditation by WASC Senior College and University Commission, effective November 3, 2019. https://www.mountmadonnainstitute.org/office-of-president

BPPE
Mount Madonna Institute is approved by the California Bureau of Private Postsecondary Education (BPPE).

Nama
MMI College of Ayurveda is approved by the National Ayurvedic Medicine Association and our graduates are eligible for professional membership with NAMA.

“For students enrolled in a NAMA-recognized program beginning on or after January 1, 2022, live in-person classes are required to be offered unless state and local public health guidelines mandate otherwise. In the instance that any further pandemic complications should arise, the program format may be adjusted accordingly. See our published schedule for details.”

Yoga Alliance and International Yoga Therapy Association
MMI School of Yoga / YTT 200 and 300 programs are approved by Yoga Alliance, and the Ayurveda Yoga Therapy Program is accredited by IAYT and NAMA.

Institute Objectives
People across the country and around the globe are increasingly seeking complementary and alternative medicine (CAM). Mount Madonna Institute was established in 2006 to prepare qualified practitioners, educators, and researchers for integrative health careers.

Today even more people are turning to Complementary and Alternative Medicine modalities, increasing the need for training and educating professionals in these fields. Mount Madonna Institute was established partially in response to this need for qualified educators and practitioners.

The National Ayurvedic Medical Association (NAMA) represents the Ayurvedic profession in the United States of America. Founded in 1998 and incorporated in 2000, the organization’s purpose is to provide leadership within the Ayurvedic community and to promote a positive vision for Ayurveda and its holistic approach to health and wellness. (http://www.ayurvedanama.org)

Mount Madonna Institute College of Ayurveda trainings meet all standards set by the National Ayurvedic Medical Association (NAMA), and covers a broad range of Ayurvedic theory, practice, and clinical practicums. Graduates of these programs must demonstrate not only mastery of the subject matter, but also the ability to counsel (AHC Diploma) or practice and/or teach effectively (AP Certificate and master’s degree). Classroom learning outcomes, which include scope of practice, counseling skills, professional ethics, and business management, are advanced through supervised internships and externships.

For the Master of Arts program, a supervised clinical apprenticeship and Capstone Project is required in addition to the components mentioned above.
INSTITUTIONAL LEARNING OUTCOME

MMI’s Institutional Learning Outcomes (ILOs) reflect the broader mission of the institution and as such are a hallmark of education at Mount Madonna. The ILOs represent an overarching set of learning outcomes at the completion of graduates’ training, regardless of specific discipline studied.

ILO 1: Intellectual Inquiry

MMI graduates explore purpose and meaning through scholarly activity and demonstrate skill in critical thinking and effective communication.

ILO 2: Personal, Professional, and Social Responsibility

MMI graduates demonstrate ethical reasoning, intercultural awareness, leadership and collaboration, and commitment to service.

ILO 3: Integrative Knowledge

MMI graduates synthesize body-mind-spirit knowledge, experiences, skills and practices to promote optimal well-being in themselves and in their communities.

ILO 4: Specialized Knowledge

MMI graduates creatively apply knowledge, theories, methods and practices in their chosen field to contemporary life opportunities and challenges.

JOB OPPORTUNITIES – POST PROGRAM

California Health Freedom Act

Each state has unique legislation governing professional practices. Health care practitioners and healers in California are able to legally provide services under the CA Health Freedom Act.

Students are responsible for understanding the ability to practice in their state. This applies to all diplomas, certificates and degrees offered by MMI.

Students who receive an Ayurvedic Health Counselor Diploma are qualified to provide lifestyle counseling in various capacities, according to the professional standards and scope of practice defined by NAMA - from working in an integrative medical clinic, to assisting an Ayurvedic Practitioner, to establishing a private practice.

Students receiving the Ayurvedic Practitioner Certificate are qualified to provide Ayurvedic health consultations and recommendations to clients in a variety of settings from integrative medical clinics to private practices. Such graduates also are qualified to teach Ayurveda classes to the general public at an introductory level.

Students receiving the Master of Arts – Ayurveda Degree are qualified to provide Ayurvedic health consultations and recommendations to clients in a variety of settings from integrative medical clinics to private practices. Such graduates also are qualified to teach Ayurveda classes at introductory and intermediate levels.

Students receiving the 200hr Yoga Teacher Training (YTT200) Certificate are qualified to teach beginning level yoga classes that include asana (postures), pranayama (breathing practices), mantra (prayers), and meditation. Graduates are qualified to receive the credential of Registered Yoga Teacher at the 200-hour level (RYT-200) through Yoga Alliance.

Students receiving the Advanced Yoga Studies (YTT300) Certificate are qualified to teach intermediate level yoga classes that include asana (postures), pranayama (breathing practices), mantra (prayers), and meditation as well as provide instruction in yoga theory and philosophy. Combined with a YTT200 certificate from a Yoga Alliance registered program, graduates are qualified to receive the credential of Registered Yoga Teacher at the 500-hour level (RYT-500) through Yoga Alliance.

Students receiving the Ayurvedic Yoga Therapy (AYT) Certificate are qualified to address the disease process and the management of symptoms through the various practices of Hatha Yoga, Ashtanga Yoga, and the Ayurvedic perspective of health and wellness. Graduates are qualified to receive the credential of Yoga Therapist (C-IAYT) certified by the International Association of Yoga Therapists and for the NAMA Ayurvedic Yoga Therapy.
Students receiving the Prenatal Yoga Teacher Training (PYTT) Certificate are qualified to teach yoga classes that include asana (postures), pranayama (breathing practices), mantra (prayers), and meditation appropriate for mothers at all stages of pregnancy and postpartum. Combined with a YTT200 certificate from a Yoga Alliance registered program, graduates are qualified to receive the credential of Registered Prenatal Yoga Teacher (RPYT) through Yoga Alliance.

Students receiving the Children's Yoga Teacher Training (CYTT) Certificate are qualified to teach yoga classes that include the practices of Hatha Yoga and the theory of classical Ashtanga Yoga to children of all ages. Combined with a YTT200 certificate from a Yoga Alliance registered program, graduates are qualified to receive the credential of Registered Children's Yoga Teacher (RCYT) through Yoga Alliance.

The US Department of Labor’s Standard Occupational Classification Codes:
- 31-9099 Healthcare Support Workers, All Other – Ayurvedic Health Counselor or Practitioner
- 39-9031 Exercise Trainers and Group Fitness Instructors – Yoga Instructors

https://www.bls.gov/soc/2018/major_groups.htm

Please note: Mount Madonna Institute does not provide a placement service for graduates of its programs.

MOUNT MADONNA INSTITUTE ORGANIZATIONAL STRUCTURE

Legal Structure
Mount Madonna Institute (MMI) is a wholly owned subsidiary of Hanuman Fellowship (DBA Mount Madonna Center) which is called the “Related Entity” to MMI. It operates independently under a governing structure using a Board of Directors. The Board is responsible for directing the institution toward the achievement of its stated mission and pursuance of established institutional standards.

The Board of Directors exercises ultimate authority over all academic and institutional functions. While the Board of Directors is not responsible for the day-to-day decisions of the institution, it does decide all major policies and issues affecting the educational aspects of the institution. The Board of Directors is also responsible for the selection and evaluation of the Institution’s President.

Mount Madonna Institute Board of Directors
Chairman - Swarp Wood, PhD
Vice Chair - Cathy Purnima Conway, MS
Secretary - Jennifer Rand, MA - Ayur
Richard Bernstein, DO
Mary Champagne, CPA
Yolanda Sangita Diaz-Houston, PhD
John Diffenbaugh, E-RYT
Sarada Diffenbaugh, PhD
Paula Anima Holtz, PhD

- Anand Dhruva, MD, University of California San Francisco Osher Center for Integrative Medicine
- Diana Lurie, PhD, Professor of Neuropharmacology, University of Montana
- Bhushan Patwardhan, PhD, FAMS, India
- Sudha Prathikanti, MD, University of California San Francisco Osher Center for Integrative Medicine
- Ram Harsh Singh, PhD, Emeritus Professor Retired, Banaras Hindu University, Padma Shri Award in Medicine, India

Student Services
Admissions Coordinator
Lizzy Gamberdella

Registrar
Tiffany Olson

Library Services
The library is located in the Orchard House building. Please contact the Program Coordinator for information on library policies. Students in the Master of Ayurveda Program receive Friends of the UCSC Library access for scholarly research.

Distance Learning
Any students electing to attend classes virtually must maintain attendance requirements and meet assignment deadlines. All grading and evaluation of student work will be completed per the trimester schedule.

CODE OF ETHICS

For Mount Madonna Institute students, teachers, and practitioners, formally adopted by the Hanuman Fellowship/Mount Madonna Center/Mount Madonna Institute/Pacific Cultural Center:

The Mount Madonna Institute (MMI) is dedicated to the highest principles and professional practices that will contribute to wellness and positive transformation in individuals and society through education in Yoga, Ayurveda, and Community Studies. To further this aspiration, MMI has developed a code of ethics for all teachers, practitioners, students, and staff associated with MMI. Please visit our website for more information.
**Ethical Principles**

To protect the student/client in this potentially vulnerable relationship, and to uphold the highest professional standards for all teachers and practitioners, each of us accept the following foundational principles:

1. To cultivate an attitude of humility in our teaching and in our healthcare practice and dedicate our work to something greater than ourselves.

2. To welcome all and proactively create an environment that respects and honors everyone regardless of race, gender, sexual orientation, religion, national origin, culture, ability, or age.

3. To examine and strive to address barriers to participation for individuals or communities that have been impacted by systemic racism and other forms of marginalization or oppression.

4. To commit to uncover and remedy our own implicit biases, acknowledging the impact they have on equity and inclusion.

5. To manage our personal lives in a healthful fashion and to seek assistance for our own personal problems or conflicts.

6. To seek and engage in collegial and professional relationships, recognizing that isolation can lead to a loss of perspective and judgment.

7. To engage in dialogue concerning professional and ethical issues with respected mentors.

8. To establish and maintain appropriate professional relationship boundaries.

9. To provide instruction and health recommendations only in those areas within the reasonable boundaries of our competence and within our defined professional scope of practice.

10. To stay abreast of new developments in the field of *our professional subjects and clinical practice and expertise* through educational activities and studies, and by continuing to deepen our study of source texts.

**INSTITUTE PROGRAM OFFERINGS**

**Professional Licensure**

No professional licenses are currently available nor required in the State of California, nor any other state in the United States for professionals working in the fields of Ayurveda and Yoga.

**The College of Ayurveda** offers the following stackable certificates and a degree:

**Ayurvedic Health Counselor (AHC)** is a National Ayurvedic Medical Association (NAMA) approved educational program (9 months of coursework plus approximately 3 months additional clinical practicum) that prepares the student for a professional career as an Ayurvedic Health Counselor, offering diet and lifestyle support to healthy individuals.

**Ayurvedic Practitioner (AP)** is a NAMA approved educational program (16 months coursework plus clinical practicum). The practitioner level education prepares the student with additional training in pathology and disease management beyond that of the Ayurvedic Health Counselor. The practitioner also practices preventive healthcare and health promotion, using diet and lifestyle recommendations as well as herbs and treatments. The AP program prepares the student for a career as an Ayurvedic Practitioner.
The School of Yoga offers year-round programs in the study and practice of yoga and includes Yoga Teacher Training programs, with additional retreats and weekend intensives. Our curriculum offers an integrative approach to the vast science of yoga, encouraging practice and self-reflection as well as scriptural and philosophical study. Most of our senior faculty members are long-term practitioners and teachers of Yoga at Mount Madonna Center under the guidance of Master Yogi Baba Hari Dass.

The School of Yoga offers the following Yoga Teacher Trainings:
- Certificate in Ashtanga Yoga Teacher Training - 200 Hour Level (Foundational Yoga Studies)
- Certificate in Ashtanga Yoga Teacher Training - 300 Hour Level (Advanced Yoga Studies)
- Ayurveda Yoga Therapy Training
- Ashtanga Yoga Prenatal Teacher Training (PYTT)
- Children’s Yoga Teacher Training (For Educators)

The School of Community Studies*
The School of Community Studies is dedicated to the study and practice of positive transformation of ourselves and the communities in which we live and work. Students explore what it means to help sustain healthy, caring families, groups, communities, and organizations. While in residence at MMC, participants have an opportunity to serve within a successful intentional community that has been thriving for more than 40 years, learn Yoga and Ayurveda practices and tools, community history and philosophy, and reconsider their understanding of community interdependence and their sense of Self consciousness.

*The Community Studies Program is currently being reimagined and redesigned, with an aim to begin again in the Fall of 2022. Further details will be available in early 2022.
The College of Ayurveda

Vision: We envision Mount Madonna College of Ayurveda as a premier Ayurveda academic institution offering clinical, scholarly and research education.

Mission: The mission of Mount Madonna College of Ayurveda is to educate and train future health professionals and empower them to use Ayurveda to transform individual health and community well-being.

Goals:
- Integrate traditional Ayurvedic knowledge with modern health sciences
- Preserve, protect, promote, and practice classical Ayurveda
- Develop authentic resources for education and research in the field of Ayurveda
- Establish an Ayurvedic clinic and wellness center for community health

Originating in the ancient Vedic scriptures of India, the wisdom and practical health training of Ayurveda is a holistic complement to Western medicine. The College of Ayurveda was formed to meet the increasing demand for trained practitioners of alternative and complementary healthcare in the U.S., specifically for Certified Ayurvedic Practitioners.

Our programs include theoretical instruction as well as practical training in both Ayurvedic and Western anatomy, physiology, Ayurvedic pathophysiology, philosophy, nutrition, herbology, psychology, Ayurvedic cooking, Ayurvedic bodywork, subtle energy therapies, Sanskrit, Yoga, and clinical intern and externships. Our instructors are classically trained in India and/or have many years of clinical and teaching experience in the US. Students learn healing modalities, amplified by classroom lectures, associated assignments, research projects, and clinical experience. We specialize in integrating classical knowledge of India Ayurveda and modern knowledge of allopathic Western medicine.

These professional training programs have been built upon Ayurveda programs offered at Mount Madonna Center since 1978, and the Institute’s programs since 2007.
DIPLOMA – AYURVEDIC HEALTH COUNSELOR (AHC)
NAMA approved

Total Program Hours: 633  Synchronous
Course Contact Hours: 367.5
Asynchronous Non-Contact Hours: 265.5
Additional 8-10 hours per week for completing course assignments (homework)

Admission Requirements: High school graduation or equivalent
Cumulative Final Exam: Yes
Graduation Document: Diploma

Program length: Coursework over 9 months + approximately 3 months additional clinic work

Purpose / Objective:

The Ayurvedic Health Counselor Program prepares the student for a career as an Ayurvedic Health Counselor. The Health Counselor is able to provide diet and lifestyle health and wellness support by integrating body/mind constitutional assessment, nutritional knowledge, basic herbology, healthy lifestyle management, introductory counseling skills, and Ayurvedic bodywork therapies. AHC graduates will have a strong understanding of all the foundational healthcare principles of Ayurveda, including history, philosophy, and its basic vocabulary.

The NAMA AHC “Scope of Practice” encompasses a focus on preventive healthcare and health promotion, with specific focus on diet and lifestyle practices and recommendations.

Graduates of the AHC Certificate Program may practice independently as Ayurvedic Health Counselors under the provisions and conditions of the California Health Freedom Act, join the staffs of yoga studios or spas, become licensed as massage therapists and work in health resorts, and/or join complementary healthcare practices as Ayurvedic diet and lifestyle counselors.

The program requires a minimum of 50 client encounters which may include observations and supervised sessions in groups of two or three students. All students are fully engaged in all aspects of diagnosis and recommendations.

Upon successful completion, the graduate will qualify for National Ayurvedic Medical Association Certification Board (NAMACB) board certification exam. Upon passage, is then qualified for professional membership as an Ayurvedic Health Counselor with the National Ayurvedic Medical Association (NAMA). NAMA requires NAMACB board certification for professional membership as an Ayurvedic Health Counselor.

See www.ayurvedanama.org

AHC Admissions Requirements:

Prerequisite:
•  High school graduation or equivalent required.
•  Student must complete 4 college credits of Anatomy and Physiology. MMI accepts a college level transcript showing satisfactory completion of an A & P course before entering the program.

Recommended:
•  Attend at least one Open House.

After completion of all required documents, students may be interviewed by the program coordinator or other staff.

AHC Graduation Requirements:
Attendance:
• All sessions must be punctually attended. An attendance record of at least 90% is required in all schools. The attendance policy applies to all synchronous learning, both in-seat and online.
• Recorded material is available for missed sessions in most courses.
• Students must fulfill all assignments in all courses, despite any absences.
• Additional fees may be charged to make-up the missed course. The make-up fee is $50.00 per hour paid in advance.
• Students who miss scheduled Internship consultations will be charged $70.00 per hour to cover independent study for completion of those client encounters via independent practice.

Academic Requirements:
• Students in the AHC program must maintain a minimum average of C (70%) in all courses.
• Students must achieve successful completion of all courses, associated assignments, required hours for each course, and pass the final exam. All work must be completed before a grade will be awarded for any course.
• Students must complete a minimum of 50 client encounters.
• All coursework must be completed by the end of each trimester.

Final Exam: Passing with a minimum average of C (70%)

Tuition and Fees: 100% Paid

Note: Mount Madonna Institute does not provide a Placement Service for graduates of programs.

AYURVEDIC HEALTH COUNSELOR (AHC)

COURSE DESCRIPTIONS

The MMI Ayurvedic Health Counselor Program is a twelve-month program consisting of nine extended weekends plus approximately 4 months of supervised practicum and clinical observations. During each extended weekend, students experience interactive lectures, asana classes, clinical observations, and integration sessions.

Yoga and Meditation Practicum 1
Course No. AY 100
Contact Hours: 40.5
Prerequisites: None
Description: This course introduces the practice of yoga. Students are required to learn and perform yoga postures, breathing practices, and meditation practices. This course is taken concurrently with AY 100A, AY 101, AY 102, AY 103, AY 104, AY 105, AY 106, AY 107, AY 110, AY 111, AY 112, AY 120, 150 and AY160.

Sanskrit 1
Course No. AY 100A
Contact Hours: 22.5
Description: This course introduces the student to the ancient Vedic language of Sanskrit. Students learn to read, write, and chant Sanskrit. This course is taken concurrently with AY 100, AY 101, AY 102, AY 103, AY 104, AY 105, AY 106, AY 107, AY 110, AY 111, AY 112, AY 120, and AY160.

Introduction to Ayurveda
Course No. AY 101
Contact Hours: 14.5
Description: This course introduces students to the 5,000-year-old tradition of Ayurveda, its aims and objectives, basic principles, concepts of health and disease, methods of examining patients, and treatment methods. Students gain a solid foundation in the science, history, and philosophy of Ayurveda. They are introduced to the concepts of individual nature and dosha imbalance as the basis for diagnosis of health and disease, as well as the five-element theory.

Ayurvedic Anatomy and Physiology
Course No. AY 102
Contact Hours: 11.5
Description: This course examines the disease process in Ayurvedic medicine, including Ayurvedic anatomy and physiology, the cause of disease, the stages of disease, formation of tissues, and classification of disease. Students learn the process of constitutional analysis.

Introduction to Ayurvedic Lifestyle Management
Course No. AY 103
Contact Hours: 11.5
Description: This course introduces the student to Ayurvedic recommendations for creating healthy lifestyles, daily and seasonal routines, yogic cleansing practices, and self-care. Students also learn therapies focusing on the five senses.

Yoga and Ayurveda: Sister Sciences
Course No. AY 104
Contact Hours: 11.5
Description: This course teaches yoga philosophy and practice and its benefits in health and disease prevention. Students learn the Ayurvedic effects of different styles of yoga practice, yogic cleansing for disease prevention, and meditation and breathing practices to restore healthy balance to mind and body.

Ayurvedic Nutrition 1
Course No. AY 105
Contact Hours: 11.5
Description: This course introduces the principles of Ayurvedic nutrition and digestion. Students will learn the use of diet and nutrition programs in health and disease, individual guidelines for diet, and a balanced diet for the seasons, while exploring the Ayurvedic approach to the energetics of food.

Ayurvedic Psychology 1 (Ayurveda and the Mind)
Course No. AY 106
Contact Hours: 11.5
Description: This course introduces the student to the energetics of consciousness, the Ayurvedic description of the mind, and therapies to support the mind. Fundamental concepts of manas, prakruti and vikruti, the effects of sensory input on the mind, and approaches to managing mental health are explored.

Ayurvedic Herbology 1
Course No. AY 107
Contact Hours: 11.5
Description: This course continues to study nutrition and introduces the traditional use of herbs in Ayurvedic medicine. Students learn the therapeutic use of food and spices, using food as medicine. The course introduces Ayurvedic foods to balance the doshas and maintain health. Students will study Ayurvedic herbal philosophy and practices, the Herbal Materia Medica, and the terminology of herbal actions. They begin to understand the use of Ayurvedic herbs to restore physical and psychological balance.

Ayurvedic Diagnosis
Course No. AY 110
Contact Hours: 11.5
Description: Students are introduced to modes of diagnosis including pulse reading, tongue diagnosis, assessing the mental state, and dhatus, malas and srotas. Students begin to practice these modes as outside assignments and during the internship after completing this course.

Western Interface 1
Course No. AY111
Contact Hours: 16.5
Description: This course offers the opportunity to explore the interface between Ayurveda and allopathic medicine, helps students understand healthy client practitioner relationship and boundaries, and clarifies scope of practice and the code of ethics for all Ayurvedic Health Counselors.

Ayurvedic Therapies 1
Course No. AY 112
Contact Hours: 9
Description: The theory of Pancha Karma cleansing techniques will be introduced. This course introduces the Ayurvedic rejuvenation process called Rasayana. Students will learn strategies for Rasayana using herbs, diet, and nutritional support with the goal of slowing or reversing excessive aging, building immune strength, and preventing disease. This course offers and introductory view of Ayurvedic anatomy of the ear, nose, throat, and neck. This cursory understanding of the head and neck region allows students to study and address common disorders of the head and neck through diet and bodywork recommendations.

Women’s Health, Pre & Post Natal, Pediatrics
Course No. AY 113
Contact Hours: 11.5
This course introduces students to the foundations of women’s health including fertility, menstrual cycle, and menopause, offering recommendations to support imbalances. The course also covers Ayurvedic recommendations for supporting healthy conception, prenatal and postnatal care for expectant mothers, and care for young children.
Ethics and Professional Practices  
Course No. AY 115  
Contact Hours: 13  
This course examines the Mount Madonna Code of Ethics as it applies to Ayurvedic Practitioners. Students are introduced to counseling practices as they pertain to client interactions and goal setting. Students explore the business skills involved in setting up and sustaining a professional practice. Topics include marketing, finance, and legal considerations.

Internship I: Clinical Observation, Discussion, & Internship  
Course No. AY 120  
Contact Hours: 89  
Description: Students will have the opportunity to observe experienced Ayurvedic Practitioners in consultations in the classroom. Students begin to develop diagnostic skills under the supervision of skilled Ayurvedic Practitioners. In addition, students will work in groups to meet clients over the Internship weekends. This includes an initial intake with follow ups for each client, under supervision. Students may complete independent practice clients in order to fulfill the requirement of 50 client encounters.

Ayurvedic Foundational Integration  
Course No. AY 150  
Contact Hours: 57.5  
Description: Students spend time integrating the content of the courses of the weekend while engaging in practical applications of the principles covered. This course is taken concurrently with AY 100A, AY 101, AY 102, AY 103, AY 104, AY 105, AY 106, AY 107, AY 110, AY 111

Subtle Therapies: Jyotish – Vedic Astrology  
Course No. AY 160  
Contact Hours: 13  
Description: Students are introduced to the subtle sister science of Ayurveda, Jyotish (Vedic astrology). Students learn the fundamental concepts of Jyotish, how it can complement client care, and when clients may be referred to an experienced Jyotish practitioner.
AYURVEDIC PRACTITIONER (AP)**
(Recognized by the National Association of Ayurvedic Medicine (NAMA))

**If you have a BS or BA degree, you are eligible to apply for the Master of Arts in Ayurveda.

Total Program Hour: 900
Total Clock Contact Hours: 721
In person: 487; Online: 234
Additional Asynchronous Hours: 179
Program Length: 4 trimesters (16 months)
(Plus an additional 20 hours per week of homework.)
Required Courses: AY 300 through AY 607

Admissions Requirements:
Prerequisites:
● High school graduation or equivalent required.**
● Successful completion of the Ayurvedic Health Counselor (AHC) program required. If the AHC was completed elsewhere, students must pass either the National NAMACB AHC Exam or the MMI AHC Final Exam.
● 6 credits (minimum) of college level Anatomy & Physiology

Recommended:
● NAMA AHC Professional Membership
● Attend one Open House

**If you have a BA or a BS degree, you are eligible to enroll in the Master of Art in Ayurveda program. (See page 26)

Cumulative Final Exam: Yes

Graduation Document: Certificate

Purpose / Objective:
The Ayurvedic Practitioner is a professional trained to focus on disease management through traditional Ayurvedic medical science principles and practices with additional training in pathology and disease management beyond that of the Ayurvedic Health Counselor. The practitioner also practices preventive healthcare and health promotion, using diet and lifestyle recommendations.

The Ayurvedic Practitioner supports the health of their clients by integrating body/mind assessment, philosophy, Ayurvedic anatomy and physiology, pathophysiology, nutrition, herbal medicine, Ayurvedic bodywork therapies, lifestyle counseling and Yoga practices. Students study the Ayurvedic classical texts and contemporary health-science research protocols.

Successful graduates of the AP Program may practice independently as Ayurvedic Practitioners under the California Health Freedom Act or join the staff of medical clinics or hospitals offering complementary modalities.

The AP program includes supervised internships and clinical observations. A minimum of 100 client encounters, over and above the 50 required at the AHC level are required. This includes a minimum of 10 clinical observations plus 30 supervised consultations of three sessions each. In our program, you start your clinical practicum at the end of the first trimester and add more clients every trimester. The focus is on incrementally applying classroom learned in clinical practice throughout the program.

Upon successful completion of the AP program, students will be qualified to write the national exam of the National Ayurvedic Medical Association Certification Board (NAMACB) and with success, become a professional member of NAMA at the Ayurvedic Practitioner level. See www.ayurvedanama.org for details.

Classes meet in person one 3.5-day weekend per month, starting Thursday afternoons at 2:00 pm and ending Sundays at 5:00 pm. Additionally, there are three required live-streaming webinars per month plus two online Sanskrit classes. Students average 20 hours per week in homework.

Graduation Requirements:

**Attendance:** All sessions must be punctually attended. An attendance record of at least 90% is required. The attendance policy applies to all synchronous learning, both in-seat and online. If any session is missed, the student must make-up the session and complete the work.

**Academic Requirements:**
Students must successfully complete all assignments, clinical activities and successfully pass the final exam. The student must do this within the maximum time frame required for Student Academic Progress. Students must complete a minimum of 100 client encounters.

All coursework must be completed by the end of each trimester.

Students must maintain an average of C (2.0) in all courses where grades are awarded.

**Final Exam:** Passing with a minimum average of C (70%).

**Tuition and Fees:** 100% Paid
- Students who miss scheduled Internship consultations will be charged $70.00 per hour to cover independent study for completion of those client encounters via independent practice.

Mount Madonna Institute does not provide placement services for program graduates.

AYURVEDIC PRACTITIONER (AP) COURSE DESCRIPTIONS

Yoga for Health and Disease Management
Course No. AYP 300, AYP 400, AYP 500, AYP 600
Prerequisite: None
Contact Hours: 72
Description: This course deepens the practice of yoga. Students perform yoga postures, breathing practices and meditation. Students explore the science of yoga within the context of the Shad Darshana. Using the Ashtanga Yoga, Hatha Yoga and Raja Yoga systems, the course investigates and applies the appropriate limb and practice of yoga to disease management. This course is studied throughout the 4 trimesters of the program.

Sanskrit Study
Course No. AYP 301, AYP 401, AYP 501
Prerequisite: None
Contact Hours: 48
Description: This course continues the study of Sanskrit, the language of Ayurveda. Students learn to read, write, and chant Sanskrit slokas relating to health, wellness and each disease system studied. This course is studied throughout the 4 trimesters of the program.

Ayurvedic Foundational Integration
Course No. AYP 302, AYP 402, AYP 502, AYP 602
Prerequisite: None
Contact Hours: 112
Description: This course provides the basic framework for integrating the Ayurvedic concepts of health, wellness, disease prevention and disease management as presented throughout the program. Students review the principles of each system presented and contextualize it with the methods of treatments being offered. Students integrate reading of classical texts with modern terminology and traditional approaches. Students create self-study (svadhyaya) goals and frame the discussion of becoming a practitioner through the Ayurvedic concept of self-healing. They explore a variety of counseling modalities appropriate to an Ayurvedic clinical practice. Students continue to explore ethical and legal issues in Ayurveda and are introduced to business management techniques, job opportunities, and referral procedures. This course is studied throughout the 4 trimesters of the program.

Sthula Sharira - Ayurvedic Anatomy & Physiology
Course No. AYP 303
Prerequisite: None
Contact Hours: 15
Description: This course explores the concepts of Ayurveda Biology, Physics, Anatomy and Physiology and applies and relates them to the Western approach to the body-mind complex. Students study Embryology in light of the disease process and the susceptibility of the embryo during the whole of pregnancy. Students revisit the interdependency of trisharira and panchakosha and view the formation of the human body in light of the tattvas, tanmatras and pancha mahabhutas.

Rogi-Roga Pariksha – Assessment Methods
Course No. AYP 304
Prerequisite: None
Contact Hours: 15
Description: This course builds skills in clinical assessment (pariksha). Students learn and practice many different Ayurvedic diagnostic techniques (pulse, tongue, nails, skin, speech, eyes, etc.) and learn to evaluate their findings in terms of health and disease. Students differentiate between techniques that are important to use in each case and those that are particular to a disease system.

Vkriti Vigñana 1- Ayurvedic Pathophysiology 1
Course No. AYP 305
Prerequisite: None
Contact Hours: 15
Description: This course explores in detail the disease processes and clinical examination in Ayurvedic medicine.
Students learn the causes of disease, six stages of disease manifestation, disease pathways and classification of diseases, signs and symptoms of disease. Students learn how to distinguish the disease from its symptoms and prioritize treatment protocols.

**Manovaha Srotasa - Ayurvedic Psychology**
Course No. AYP 306
Prerequisite: None
Contact Hours: 15
Description: This course investigates the knowledge of the Mind, its functions, causative factors for pathological change, stages of pathology and various diseases presenting with psychological and physical symptoms. It assesses various psychological disorders from an Ayurvedic perspective. Students explore the predominance of the three gunas (Sattwa, Rajas, Tamas) in specific conditions and learn which Ayurvedic therapies (diet, lifestyle and herbal) can be recommended. Spiritual and subtle therapies of the sister sciences are considered as well.

**Brhattayi, Laghutrayi, Itihasa & Darshana - Classical Texts, History & Philosophy**
Course No. AYP 307
Prerequisite: None
Contact Hours: 33
Description: This course more deeply examines the basic principles of Ayurvedic medicine, the eight branches, medical ethics and aims through the classical texts. Students investigate the historical and philosophical foundations of Ayurvedic medicine and the history of scientific studies in Ayurveda. Students will explore and expand their knowledge and use of these ancient texts in a modern clinical practice. Both the major and minor texts will be included.

**Clinical Practicum**
Course No. AYP 310, AYP 410, AYP 510
Prerequisite: AYP 300 – AYP 308
Contact Hours: 132
Description: This course introduces students to advanced consultation practices and protocols for consultations. Students continue to develop their skills as Ayurvedic Practitioners through consultations and clinical discussions in the classroom under the supervision of experienced Ayurvedic Practitioners. Students are required to prepare case papers for each client. (This course runs over four trimesters for a total of 90 client encounters).

**Dravyaguna Vijñana – Herbology2**
Course No. AYP 403
Prerequisite: None.
Contact Hours: 15
Description: This course continues the exploration of the Ayurvedic principles of Herbology and Pharmaceuticals, functions, indications and contraindications of various medicinal herbs, use of single and compounded herbs, and various methods of combining herbs into formulas to restore physio/mental equilibrium and management of various imbalances.

**Allopathy, Functional Medicine and Collaboration 1**
Course No. AYP 404
Prerequisite: None
Contact Hours: 15
Description: This course will review commonly used tools in allopathic medicine and common allopathic diagnostic and therapeutic approaches for cardiovascular, endocrine, infectious and gastrointestinal disease including lab analysis, imaging, pharmaceuticals, and surgery. The course will also examine the relationship between Ayurveda and allopathy as systems, exploring ways to work collaboratively. Basic principles of Functional Medicine and how it can complement Ayurveda will also be explored.

**Disease Management: Srotamsi 1**
Course No. AYP 405
Prerequisite: AYP 300 – AYP 307
Contact Hours: 33
Description: This course explores in detail the major systems via *srotamsi* (channels) as explained in the classical texts of Ayurvedic Medicine including various disorders, assessment and treatment. Students learn the causes, signs and symptoms, and pathogenesis of the disorders, as well as treatments through diet, lifestyle, herbal formulas and other
therapies. The srotamsi explored are: Mahavaha (GI tract) Pranavaha (respiratory), Rasavaha (cardiovascular) and Jvara (infectious disease).

**Disease Management: Srotamsi 2**
Course No. AYP 406
Prerequisite: AYP 300 – AYP 308
Contact Hours: 33
Description: This course explores in detail the cardiovascular system in Ayurvedic Medicine including various disorders, assessment and treatment. It also examines infectious disease. Students learn the causes, signs and symptoms, and pathogenesis of the disorders, as well as treatments through diet, lifestyle, herbal formulas and other therapies. The srotamsi explored are: Raktavaha (blood disorders & skin), Shukravaha (men’s health), Mutravaha (genito-urinary) and Shalakya Tantra (ENT/ head/ neck)

**Allopathy, Functional Medicine and Collaboration 2**
Course No. AYP 503
Prerequisite: AYP 404
Contact Hours: 15
Description: This course will review common diagnostic and therapeutic approaches of allopathic and functional medicine, for diabetes, women’s health, neurology and psychiatric disease including lab analysis, imaging, pharmaceuticals and surgery. The course will support students in developing techniques and skills to work with clients who are also cared for by allopathic practitioners, in understanding their medical histories and in working collaboratively with their allopathic practitioners.

**Introduction to Scientific Research**
Course No. AYP 504
Prerequisite: None
Contact Hours: 15
Description: This course provides the students a basic understanding of the scientific research process and an introduction to steps involved in scientific research models, methods and analysis. Students will learn how to critically understand and evaluate scientific research presentations and literature and begin to practice the methodology.

**Disease Management: Srotamsi 3**
Course No. AYP 505
Prerequisite: AYP 300 – AYP 308
Contact Hours: 33
Description: This course explores in detail the nervous system in Ayurvedic Medicine including the disorders, assessment and treatment. Students learn the causes, signs and symptoms, and pathogenesis, as well as diet, lifestyle, herbal formulas and other therapies. Srotamsi explored are: Majjavaha/Mamsavaha (neuromuscular system), Medavaha (metabolic disorders) and Astivaha (bone).

**Disease Management: Srotamsi 4**
Course No. AYP 506
Prerequisite: AYP 300 – AYP 308
Contact Hours: 33
Description: This course explores in detail women’s health in Ayurvedic Medicine including the Ayurvedic approach to promoting fertility, a healthy pregnancy and the imbalances of menopause. Students learn the causes, signs and symptoms, and pathogenesis of the disorders, as well as diet, lifestyle, herbal formulas and other therapies. Assessment and appropriate intervention for children are examined per different age groups from infants to adolescence. Diet and lifestyle to promote health as well as herbs suitable for children are presented. Students explore: Aartavavaha (women’s health), Stree Roga Prasuti (pre & postnatal) and Kaumarabhritya (pediatrics).

**Dravyaguna Vijñana - Herbology 3**
Course No. AYP 603
Prerequisite: 403
Contact Hours: 15
Description: This course explores in detail the Ayurvedic principles of Herbology and Pharmaceuticals, functions,
indications and contraindications of various medicinal herbs, use of single and compounded herbs, and various methods of combining herbs into formulas to restore physio/mental equilibrium and management of various imbalances. Students will learn how to make individual formulas, calculate dosages and recommend herbal interventions for each of the disease systems investigated.

**Pancha Karma & Indriya Chikitsa - Ayurvedic Therapies & Sense Therapies**
Course No. AYP 604  
Prerequisite: AYP 303-AYP 506  
Contact Hours: 15  
Description: This course is a hands-on experiential demonstration of various Ayurvedic bodywork techniques including *abhyanga*, Ayurvedic massage, *shirodhara*, *basti*, *Marma* Therapy, and herbal *swedana*. Students learn the techniques and put them into practice in the classroom. Students explore and practice various Sense Therapies. Because this is a survey course and does not provide in-depth training in these therapies, students will generally apply the knowledge to refer clients out to qualified practitioners.

**Jara & Rasayana - Aging & Restorative Therapies**
Course No. AYP 605  
Prerequisite: AYP 303 – AYP 506  
Contact Hours: 15  
Description: Students will examine health issues that are of particular concern for the aging including diabetes, heart disease, arthritis, Alzheimer’s disease, high blood pressure. The course explores in detail the concept of *rasayana* or rejuvenation in Ayurvedic Medicine. Students learn dietary measures, herbal formulas, external therapies and daily routines used as rejuvenatives to promote nourishment and tonification, strengthen the immune system and build strength.

**Complementary Medicine: Acupuncture, Chiropractor & Physical Therapy**
Course No. AYP 606  
Prerequisites: None  
Contact Hours: 15  
Description: This course introduces students to other modalities of healthcare like Acupuncture, Chiropractor and Physical Therapy. Students examine key concepts in each of these modalities and consider their relevance in modern healthcare treatment.

**Clinical Case Studies Presentations & Final Exam**
Course No. AYP 607  
Prerequisite: AYP 300 – AYP 606  
Contact Hours: 15  
Description: This seminar provides a forum for students to present their cases and to engage in rigorous discussion about the cases and case management with a panel of professors. Students are required to write and present a minimum of two case studies through a visual presentation (i.e., PowerPoint) enhanced through peer review and class discussion.
**MASTER OF ARTS – AYURVEDA**

*Earn a NAMA recognized Ayurvedic Practitioner certificate as you complete your Master’s degree in Ayurveda.*

**Program Length:** 16 months (4 trimesters)
**Total Credits:** 42

**Total Synchronous Hours:** 736
  - In-person Synchronous Hours: 502
  - Online Synchronous Hours: 234

**Practicum Hours:** 45
**Total Hours:** 781
Additional asynchronous hours and homework: approximately 25 hours per week.

**Admission Requirements:**
- BA or BS from an accredited institution
- 6 credits (minimum) of college level Anatomy & Physiology
- Successful completion of the Ayurvedic Health Counselor (AHC) program required. If the AHC was completed elsewhere, students must pass the NAMACB AHC National Exam or the MMI AHC Final Exam.

**Recommended:**
- NAMA AHC Professional Membership
- Attend one Open House

**Purpose / Objective**

The Mount Madonna Institute Master of Arts degree in Ayurveda is a graduate level professional training that confers mastery and excellence in the field of holistic wellness and integrative health care. The program is accredited by the Western Association of Schools and Colleges (WASC).

The MA program includes graduate level courses in interprofessional education, research literacy, advanced Ayurvedic medicine and classical texts, supervised clinical practicum and apprenticeship, and culminates with clinical case study presentation.

Students learn to adapt Ayurveda for an integrative approach to healthcare. Graduates may function effectively within healthcare subsystems to deliver excellent team-based, client-centered care and education for individuals, families, and the community.

Students engage in MA coursework while simultaneously completing a NAMA recognized Ayurvedic Practitioner Certificate. There is a final exam, and students are encouraged to write the NAMACB Certified Board examination at the AP level.

**Aims and Goals**

MMI MA graduates are at the forefront of the development and promotion of Ayurveda, one of the fastest re-emerging modalities of healthcare in the world and a solid partner in the expanding field of Integrative Medicine. Whether through teaching, authoring articles, contributing to new or on-going research, presenting at professional conferences, or maintaining a respected clinical practice, our graduates are the “next generation” of Ayurveda.

**Professional Licensure**

No professional licenses are currently available nor required in the State of California nor any other state within the US for professionals working in the field of Ayurveda.

**Program Learning Outcomes**

Upon successful completion of the Master’s Degree in Ayurveda, a student will be able to do the following:
PLO 1: Ayurveda Framework of Health: Apply Ayurveda framework when considering disease prevention and management. The student will be able to analyze, develop and evaluate the Ayurveda framework for disease prevention and management for optimal well-being.

PLO 2: Clinical Practice: Demonstrate synthesis and application of the Ayurveda Framework through supervised clinical experience and patient assessments. The student will be able to investigate, design and document therapeutic recommendations.

PLO 3: Research Literacy: Investigate, integrate, and assess research for scholarly enhancement in the field of Ayurveda. The student will be able to identify, interpret, examine, and synthesize research on disease prevention and management as it applies to Ayurveda.

PLO 4: Ayurveda Integration: Function effectively as an Ayurveda health specialist, adapting Ayurveda for an integrative approach to health. The student will be able to interpret, discriminate, and formulate the Ayurveda framework with a clear understanding of their scope of practice within healthcare subsystems to deliver excellent care and education for clients and the community.

Program Format and Hours

<table>
<thead>
<tr>
<th>MONTHLY COMMITMENT</th>
<th>HOURS</th>
</tr>
</thead>
<tbody>
<tr>
<td>One weekend a month: Thursday 2:00 pm – Sunday 4:30 pm for two courses plus yoga and integration</td>
<td>33.5</td>
</tr>
<tr>
<td>Average of 3 Monday evenings a month</td>
<td>9.00</td>
</tr>
<tr>
<td>Sanskrit Studies two 2-hour sessions per month</td>
<td>4.0</td>
</tr>
<tr>
<td>Asynchronous &amp; Homework</td>
<td>~100.0</td>
</tr>
</tbody>
</table>

Classes meet in-person over a 3.5 day intensive weekend per month, starting Thursday afternoons at 2:00 pm and ending Sundays at 5:00 pm. Additionally, there are three required live-streaming webinars and two Sanskrit classes per month.

Graduation Requirements:

The MA degree program requires the completion of coursework, the presentation of Case Studies, and a Clinical Apprenticeship in which students assist a BAMS or MD Ayurveda clinician in an active Ayurvedic clinic. Program completion also requires three co-curricular activities (including the Research Journal Club) that support a student’s development as an Ayurvedic professional.

Attendance:
All sessions must be punctually attended. An attendance record of at least 90% is required. The attendance policy applies to all synchronous learning, both in-seat and online. If any session is missed, the student must make-up the session and complete the work.

Academic Requirements:
Students must successfully complete all course assignments, clinical activities such as Observations, Clinical Internship and Apprenticeship; successfully pass the final exams and fulfill the required hours in the program within the maximum time frame required for Student Academic Progress. Students must complete a minimum of 100 client encounters. All coursework must be completed by the end of each trimester.

Students must maintain an average of B (3.0) in all courses where grades are awarded.
**Tuition and Fees:** 100% paid

- Students who miss scheduled Internship consultations will be charged $70.00 per hour to cover independent study for completion of those client encounters via independent practice.

Mount Madonna Institute does not provide placement services for program graduates.

</table>
Yoga for Health and Disease Management
Course No. AYM 300, AYM 400, AYM 500, AYM 600
Prerequisite: None
Credits: 4
Description: This course deepens the practice of yoga. Students perform yoga postures, breathing practices and meditation. Students explore the science of yoga within the context of the Shad Darshana. Using the Ashtanga Yoga, Hatha Yoga and Raja Yoga systems, the course investigates and applies the appropriate limb and practice of yoga to disease management. This course is studied throughout the 4 trimesters of the program.

Sanskrit Study
Course No. AYM 301, AYM 401, AYM 501
Prerequisite: None
Credits: 3
Description: This course continues the study of Sanskrit, the language of Ayurveda. Students learn to read, write, and chant Sanskrit slokas relating to health, wellness and each disease system studied. This course is studied throughout the 4 trimesters of the program.

Ayurvedic Foundational Integration
Course No. AYM 302, AYM 402, AYM 502, AYM 602
Prerequisite: None
Credits: 4
Description: This course provides the basic framework for integrating the Ayurvedic concepts of health, wellness, disease prevention and disease management as presented throughout the program. Students review the principles of each system presented and contextualize it with the methods of treatments being offered. Students integrate reading of classical texts with modern terminology and traditional approaches. Students create self-study (svadhyaya) goals and frame the discussion of becoming a practitioner through the Ayurvedic concept of self-healing. They explore a variety of counseling modalities appropriate to an Ayurvedic clinical practice. Students continue to explore ethical and legal issues in Ayurveda and are introduced to business management techniques, job opportunities, and referral procedures. This course is studied throughout the 4 trimesters of the program.

Sthula Sharira - Ayurvedic Anatomy & Physiology
Course No. AYM 303
Prerequisite: None
Credits: 1
Description: This course explores the concepts of Ayurveda Biology, Physics, Anatomy and Physiology and applies and relates them to the Western approach to the body-mind complex. Students study Embryology in light of the disease process and the susceptibility of the embryo during the whole of pregnancy. Students revisit the interdependency of trisharira and panchakosha and view the formation of the human body in light of the tattvas, tanmatras and pancha mahabhutas.

Rogi-Roga Pariksha – Assessment Methods
Course No. AYM 304
Prerequisite: None
Credits: 1
Description: This course builds skills in clinical assessment (pariksha). Students learn and practice many different Ayurvedic diagnostic techniques (pulse, tongue, nails, skin, speech, eyes, etc.) and learn to evaluate their findings in terms of health and disease. Students differentiate between techniques that are important to use in each case and those that are particular to a disease system.

Vkriti Vigñana 1 - Ayurvedic Pathophysiology 1
Course No. AYM 305
Prerequisite: None
Credits: 1
Description: This course explores in detail the disease processes and clinical examination in Ayurvedic medicine. Students learn the causes of disease, six stages of disease manifestation, disease pathways and classification of diseases, signs and symptoms of disease. Students learn how to distinguish the disease from its symptoms and prioritize treatment protocols.

Manovaha Srotasa - Ayurvedic Psychology
Course No. AYM 306
Prerequisite: None
Credits: 1
Description: This course investigates the knowledge of the Mind, its functions, causative factors for pathological change, stages of pathology and various diseases presenting with psychological and physical symptoms. It assesses various psychological disorders from an Ayurvedic perspective. Students explore the predominance of the three gunas (Sattva, Rajas, Tamas) in specific conditions and learn which Ayurvedic therapies (diet, lifestyle and herbal) can be recommended. Spiritual and subtle therapies of the sister sciences are considered as well.

Bṛhatṛayi, Laghūṛayi, Iithāsa & Darshana - Classical Texts, History & Philosophy
Course No. AYM 307
Prerequisite: None
Credits: 2
Description: This course more deeply examines the basic principles of Ayurvedic medicine, the eight branches, medical ethics and aims through the classical texts. Students investigate the historical and philosophical foundations of Ayurvedic medicine and the history of scientific studies in Ayurveda. Students will explore and expand their knowledge and use of these ancient texts in a modern clinical practice. Both the major and minor texts will be included.

Clinical Practicum
Course No. AYM 310, AYM 410, AYM 510
Prerequisite: AYM 300 – AYM 308
Credits: 6
Description: This course introduces students to advanced consultation practices and protocols for consultations. Students continue to develop their skills as Ayurvedic Practitioners through consultations and clinical discussions in the classroom under the supervision of experienced Ayurvedic Practitioners. Students are required to prepare case papers for each client. (This course runs over four trimesters for a total of 90 client encounters).

Dravyaguna Vijñana – Herbology2
Course No. AYM 403
Prerequisite: None
Credits: 1
Description: This course continues the exploration of the Ayurvedic principles of Herbology and Pharmaceuticals, functions, indications and contraindications of various medicinal herbs, use of single and compounded herbs, and various methods of combining herbs into formulas to restore physio/mental equilibrium and management of various imbalances.

Allopathy, Functional Medicine and Collaboration 1
Course No. AYM 404
Prerequisite: None
Credits: 1
Description: This course will review commonly used tools in allopathic medicine and common allopathic diagnostic and therapeutic approaches for cardiovascular, endocrine, infectious and gastrointestinal disease including lab analysis, imaging, pharmaceuticals, and surgery. The course will also examine the relationship between Ayurveda and allopathy as systems, exploring ways to work collaboratively. Basic principles of Functional Medicine and how it can complement Ayurveda will also be explored.

**Disease Management: Srotamsi 1**  
Course No. AYM 405  
Prerequisite: AYM 300 – AYM 307  
Credits: 2  
Description: This course explores in detail the major systems via *srotamsi* (channels) as explained in the classical texts of Ayurvedic Medicine including various disorders, assessment and treatment. Students learn the causes, signs and symptoms, and pathogenesis of the disorders, as well as treatments through diet, lifestyle, herbal formulas and other therapies. The *srotamsi* explored are: *Mahavaha* (GI tract) *Pranavaha* (respiratory), *Rasavaha* (cardiovascular) and *Jwara* (infectious disease).

**Disease Management: Srotamsi 2**  
Course No. AYM 406  
Prerequisite: AYM 300 – AYM 308  
Credits: 2  
Description: This course explores in detail the cardiovascular system in Ayurvedic Medicine including various disorders, assessment and treatment. It also examines infectious disease. Students learn the causes, signs and symptoms, and pathogenesis of the disorders, as well as treatments through diet, lifestyle, herbal formulas and other therapies. The *srotamsi* explored are: *Raktavaha* (blood disorders & skin), *Shukravaha* (men’s health), *Mutravaha* (genito-urinary) and *Shalakya Tantra* (ENT/ head/ neck).

**Allopathy, Functional Medicine and Collaboration 2**  
Course No. AYM 503  
Prerequisite: AYM 404  
Credits: 1  
Description: This course will review common diagnostic and therapeutic approaches of allopathic and functional medicine, for diabetes, women’s health, neurology and psychiatric disease including lab analysis, imaging, pharmaceuticals and surgery. The course will support students in developing techniques and skills to work with clients who are also cared for by allopathic practitioners, in understanding their medical histories and in working collaboratively with their allopathic practitioners.

**Introduction to Scientific Research**  
Course No. AYM 504  
Prerequisite: None  
Credits: 1  
Description: This course provides the students a basic understanding of the scientific research process and an introduction to steps involved in scientific research models, methods and analysis. Students will learn how to critically understand and evaluate scientific research presentations and literature and begin to practice the methodology.

**Disease Management: Srotamsi 3**  
Course No. AYM 505  
Prerequisite: AYM 300 – AYM 308  
Credits: 2  
Description: This course explores in detail the nervous system in Ayurvedic Medicine including the disorders, assessment and treatment. Students learn the causes, signs and symptoms, and pathogenesis, as well as diet, lifestyle, herbal formulas and other therapies. *Srotamsi* explored are: *Majjavaha/Mamsavaha* (neuromuscular system), *Medavaha* (metabolic disorders) and *Astivaha* (bone).

**Disease Management: Srotamsi 4**  
Course No. AYM 506  
Prerequisite: AYM 300 – AYM 308
Credits: 2
Description: This course explores in detail women’s health in Ayurvedic Medicine including the Ayurvedic approach to promoting fertility, a healthy pregnancy and the imbalances of menopause. Students learn the causes, signs and symptoms, and pathogenesis of the disorders, as well as diet, lifestyle, herbal formulas and other therapies. Assessment and appropriate intervention for children are examined per different age groups from infants to adolescence. Diet and lifestyle to promote health as well as herbs suitable for children are presented. Students explore: Aartavavaha (women's health), Stree Roga Prasuti (pre & postnatal) and Kaumarabhritiya (pediatrics).

**Dravyaguna Vijñana - Herboligy 3**
Course No. AYM 603
Prerequisite: AYM 403
Credits: 1
Description: This course explores in detail the Ayurvedic principles of Herbology and Pharmaceuticals, functions, indications and contraindications of various medicinal herbs, use of single and compounded herbs, and various methods of combining herbs into formulas to restore physio/mental equilibrium and management of various imbalances. Students will learn how to make individual formulas, calculate dosages and recommend herbal interventions for each of the disease systems investigated.

**Pancha Karma & Indriya Chikitsa - Ayurvedic Therapies & Sense Therapies**
Course No. AYM 604
Prerequisite: AYM 303 - AYM 506
Credits: 1
Description: This course is a hands-on experiential demonstration of various Ayurvedic bodywork techniques including abhyanga, Ayurvedic massage, shirodhara, basti, Marma Therapy, and herbal swedana. Students learn the techniques and put them into practice in the classroom. Students explore and practice various Sense Therapies. Because this is a survey course and does not provide in-depth training in these therapies, students will generally apply the knowledge to refer clients out to qualified practitioners.

**Jara & Rasayana - Aging & Restorative Therapies**
Course No. AYM 605
Prerequisite: AYM 303 - AYM 506
Credits: 1
Description: Students will examine health issues that are of particular concern for the aging including diabetes, heart disease, arthritis, Alzheimer’s disease, high blood pressure. The course explores in detail the concept of rasayana or rejuvenation in Ayurvedic Medicine. Students learn dietary measures, herbal formulas, external therapies and daily routines used as rejuvenatives to promote nourishment and tonification, strengthen the immune system and build strength.

**Complementary Medicine: Acupuncture, Chiropractor & Physical Therapy**
Course No. AYM 606
Prerequisites: None
Credits: 1
Description: This course introduces students to other modalities of healthcare like Acupuncture, Chiropractor and Physical Therapy. Students examine key concepts in each of these modalities and consider their relevance in modern healthcare treatment.

**Clinical Case Studies Presentations & Final Exam**
Course No. AYM 607
Prerequisite: AYM 300 - AYM 606
Credits: 1
Description: Students are required to write and present a minimum of two case studies through a visual presentation (i.e. PowerPoint) enhanced through peer review and class discussion. The students will engage in rigorous discussion about the research and case management with a panel of Ayurvedic professionals.

**Clinical Apprenticeship**
Course No. AYM 610
Prerequisite: AYM 300 - AYM 506
Credits: 2
Description: Students are required to complete a minimum of 60 hours working within an Ayurvedic clinical setting, spending at least 15 direct contact hours with a BAMS or MD Ayurveda clinician (or MMI approved equivalent).
The School of Yoga

The School of Yoga at Mount Madonna Institute offers signature Yoga Teacher Training (YTT) Certificates: Foundational Yoga Studies (YTT 200 Hours), Advanced Yoga Studies (YTT 300 Hours), Prenatal Specialty (PYT) (85 Hours), Teaching Children’s Yoga for Parents and Educators (CYT 95 Hours) as well as a Certificate in Ayurvedic Yoga Therapy (AYT) (1084 Hours).

MMI’s YTT programs are approved by Yoga Alliance, the national yoga registry. These programs include a broad range of yoga theory, philosophy, and hatha yoga practices, with particular emphasis on the traditional Eight-limbed (ashtanga) Yoga system as described in Patanjali’s Yoga Sutras. In addition, the programs draw from other classical yogic texts including the Vedas, Upanishads, Bhagavad Gita, Gheranda Samhita, Hatha Yoga Pradipika, and the published and unpublished writings of Master Yogi Baba Hari Dass, who is the inspiration for the school.

The AYT program is accredited with the International Association of Yoga Therapists (IAYT) and recognized by the National Ayurvedic Medical Association (NAMA).

At MMI, students have the opportunity to study with instructors who are deeply committed to the practice of yogic principles on a daily basis. Many instructors live in the residential community. Senior faculty members have been practicing, studying, and teaching yoga at Mount Madonna for over 40 years.

**ASHTANGA YOGA TEACHER TRAINING – 200 HOUR LEVEL**

**Total Program Hours:** 205.50

**Cumulative Final Exam:** No

**Graduation Document:** Certificate

**Grading:** Pass or Fail

- **Pass:** Successful completion of the course
- **Fail:** Unsuccessful completion of the course
- **90% attendance**

**Program Length:** Modular – 6 months, Intensive – 1 month

**Purpose / Objective:**
The School of Yoga teaches a comprehensive system of yoga that has endured for over 5000 years. Through the teachings of Baba Hari Dass, the study of ashtanga (eight-limbed) yoga and the practices of hatha yoga have been preserved as expounded by the sages of old, with all their vital relevance to contemporary daily life. This program is for those who are or wish to be yoga teachers, as well as for any conscientious student who wishes to expand and deepen their knowledge, experience, and practice of yoga. The course includes in-depth instruction in the theory and methods of shat karma (bodily purifications), pranayama (breathing practices), mudra (positions to seal and direct energy), asana (postures), dharana (concentration) and dhyana (meditation).

Topics include Yoga Sutras, Ayurveda, Anatomy and Physiology, Neuroscience, Subtle (energy) Body Theory and Yoga Philosophy. The program includes a substantial student teaching practicum. This training is designed to present the teachings and methods that form the foundation both for one’s personal practice and as essentials for teaching yoga. This program is registered with Yoga Alliance and qualifies anyone who completes it to become a Registered Yoga Teacher at the 200-hour (RYT 200) level with Yoga Alliance should they so choose.

**Admissions Requirements**

**Prerequisite:** High school graduation or equivalent

**Graduation Requirements**

**Attendance:**
- All sessions must be punctually attended. An attendance record of at least 90% in the program is required in all schools.
- Students must fulfill all assignments in all courses, despite any absences.
• Additional fees may be charged to make-up the missed course. The make-up fee is $50.00 per hour paid in advance.

Academic Requirements:
• Students in the YTT 200 program must maintain a passing grade in all courses where grades are awarded.
• Students must achieve successful completion of all courses, outside assignments, and required program hours for each course. All work must be completed before a grade will be awarded for any course.
• All coursework must be completed by the end of each trimester

Tuition and Fees: 100% Paid

Mount Madonna Institute does not provide a Placement Service for graduates of its program

YTT 200 Modular: This program is delivered over 6 months in an online format. It consists of six 3-day online modules, five 2-hour mid-month check-ins, and 34 hours of asynchronous learning.

Online modules are held starting Thursdays from 6-8pm, continue from 6:30am-5:00pm on Fridays and Saturdays, and 6:30-5:30pm on Sundays. Each module includes lecture, guided practice, experiential practicum, and integration.

YTT 200 Intensive: This program is delivered over 28 days in an immersive in-person format. The entire program takes place at Mount Madonna Center and classes continue from 5:30am-8:00pm Mondays-Saturdays, and 5:30am-8:30am on Sundays with the rest of the day free.

Meals & Lodging must be reserved ahead of time and require an additional cost. Daily classes include instructor lecture, guided practice, experiential practicum, and facilitated integration.
Introduction to Our Program
Yoga Humanities (YH)
Hours: 1.5
Description: An introduction to Mount Madonna Institute’s 200hr Yoga Teacher Training including an overview of the program and the resources available to students throughout.
Learning Objectives: Students will understand the structure and requirements of the program and become familiar with the numerous resources available to them.

Introduction to Ashtanga Yoga
Yoga Humanities (YH)
Hours: 1.5
Description: Lecture of the eight limbs of Ashtanga yoga, discussing each limb and its importance to a yogic lifestyle.
Learning Objectives: Students will learn the eight limbs of Ashtanga Yoga, how to practice them in daily life, and their relevance to the ultimate aim of yoga.

Tattwas: Introduction to Samkhya
Yoga Humanities (YH)
Hours: 1.5
Description: An overview of the Shad Darshans (six philosophical systems) with an introduction to the tattwas of Samkhya philosophy.
Learning Objectives: Students will become familiar with this philosophical system and begin to understand how its principles inform Yoga and Ayurveda practices and theory. Students will learn what the tattwas are, how they evolve, and how they can be used to explain the relationship between consciousness and matter.

Introduction Patanjali’s Yoga Sutras
Yoga Humanities (YH)
Hours: 1.5
Description: An introduction to Book I, Sutras 1-4 of Patanjali’s Yoga Sutras, setting the foundation for the study of Classical Ashtanga Yoga. Students will chant and discuss each sutra.
Learning Objectives: Students will become familiar with the key concepts of classical yoga and understand the relevance of its philosophy and the practices.

Yoga Sutras II: Samskara & Klesha
Yoga Humanities (YH)
Hours: 1.5
Description: This course introduces students to the cycle of mental patterns (samskara) and the obstacles to Yoga practice (klesha).
Learning Objectives: Students will understand that the obstacles to practice are universal and part of the human condition. Increased patience and compassion will develop as a result of this understanding in their own practice and in sharing this knowledge with others.

Yoga Sutras III: Kriya Yoga
Yoga Humanities (YH)
Hours: 1.5
Description: An introduction to the methods of Kriya yoga, as explained in Patanjali’s Yoga Sutras, and exploration of how these methods can be applied in daily life.
Learning Objectives: Students will become aware of and able to define the methods of Kriya yoga, karma, latent impressions (samskara), and obstacles (panchaklesha).

Yoga Sutras IV: The Internal Limbs
Yoga Humanities (YH)
Hours: 1.5
Description: A look at the internal limbs of Patanjali’s Ashtanga yoga system: dharana, dhyana, and samadhi.
Learning Objectives: Students will gain a deeper understanding of concentration, meditation, and liberation as described in Patanjali’s Yoga Sutras.

Ayurveda I - Introduction
Yoga Humanities (YH)
Hours: 1.5
Description: An introduction to the 5,000-year-old tradition of Ayurveda, its aims and objectives, basic principles, and concepts of health and wellness, including the concepts of panchamahabhuta (the five great elements) and tridosha (individual constitution).
Learning Objectives: Students will gain a contextual understanding of Ayurveda and its relevance to yoga practice. They will be able to identify and define the five elements and three doshas, as well as describe their qualities.

Ethics I: MMI’s Code of Ethics
Yoga Humanities (YH)
Hours: 1.5
Description: An introduction, review, and in-depth discussion of Mount Madonna Institute’s Code of Ethics for Yoga Teachers.
Learning Objectives: Students will understand the importance of MMI’s Code of Ethics and gain enough familiarity with it to agree to begin practicing in accordance with it.

Ethics II: Yama & Niyama
Yoga Humanities (YH)
Hours: 1.5
Description: A deeper exploration of the first two limbs of Ashtanga Yoga. A lecture and discussion of how these observances and restraints can be practiced in daily life.
Learning Objectives: Students will be able to define and identify the five yama (observances) and five niyama (restraints) and explain how they are foundational in yoga and can be incorporated into daily life.

Mantra & Sacred Sound
Yoga Humanities (YH)
Hours: 1.5
Description: Students will learn the practical and philosophical value of Sanskrit mantras and how they are used in yoga.
Learning Objectives: Students will have a better understanding of Sanskrit and the role of sacred sound in yoga practice. They will have opportunity to experience this knowledge in chanting Vedic prayers and mantras.

History of Yoga
Yoga Humanities (YH)
Hours: 1.5
Description: An overview of the origins, history, and evolution of the system of Yoga.
Learning Objectives: Students will learn about the Shad Darshan, yogic scriptures, various yogic systems, and how yoga has evolved into what we know it as today.

Values in Yogic Thought
Yoga Humanities (YH)
Hours: 1.5
Description: Small group work on the practical application of Yoga to life.
Learning Objectives: Students become aware of Yoga as a lifestyle discipline and daily practice.

Temple & Ritual
Yoga Humanities (YH)
Hours: 1.5
Description: This class utilizes the Sankat Mochan Hanuman Temple as a laboratory to experience the vitality of the symbolism of yoga in yantra and ritual.
Learning Objectives: Students will understand the role of symbolism in yoga practice and learn some methods of accessing the depth of yogic wisdom through traditional Vedic rituals.

Integration and Review
Yoga Humanities (YH)
Hours: 10
Description: Numerous opportunities to review and integrate course materials during which students can ask questions on the topic of yogic philosophy and practices.
Learning Objectives: Students will solidify their understanding of yogic philosophy and practices through discussion with peers and faculty.

Intro to Asana
Techniques, Training and Practice (TTP)
Hours: 1.5
Description: Introduction and overview of asana as part of the Ashtanga and Hatha Yoga systems.
Learning Objectives: Students will be able to place asana in a classical context and learn how asana affects body, breath, and mind. Students will also differentiate between personal practice and the teaching of asana.

Hand Mudras
Techniques, Training and Practice (TTP)
Hours: 1.5
Description: Students will learn a series of hand mudras to use before and after meditation as a form of pratyahara, withdrawing the mind from the senses.
Learning Objectives: Students will be able to incorporate hand mudras in their personal practice as a preparation for meditation and prepare to be able to teach them to others if they choose.

Sanskrit Pronunciation
Techniques, Training and Practice (TTP)
Hours: 1.5
Description: Students will learn the basics in Sanskrit and practice chanting some traditional Vedic prayers. Learning Objectives: Students will learn key concepts to help them properly pronounce Sanskrit words. They will begin to understand the importance of Sanskrit to the practices they are learning and will teach, and as an aid to learning the Sanskrit names of various practices.

Failure to Meditate
Techniques, Training and Practice (TTP)
Hours: 1.5
Description: This class delves into the obstacles to daily practice as described in the Yoga Sutras of Patanjali.
Learning Objectives: Students will understand what the obstacles to practice are and have an opportunity to consider what obstacles they face in their own personal practice.

Shat Karma
Techniques, Training and Practice (TTP)
Hours: 12.5
Description: An introduction and overview of ancient cleansing practices with demonstration, instruction, practice of several of the methods described in the Hatha Yoga texts.
Learning Objectives: Students will learn about and be able to practice a number of the cleansing techniques as they wish. The students can choose to incorporate any that fit for them into their personal practice.

Sadhana (Pranayama & Meditation)
Techniques, Training and Practice (TTP)
Hours: 28
Description: During daily classes, the student will learn beginning sadhana practices and have an opportunity to teach the
techniques in a small group setting.
Learning Objectives: Students will be able to teach beginning practices to a beginning yoga class; they are encouraged to incorporate the practices into a daily *sadhana*.

**Asana Practice**
Techniques, Training and Practice (TTP)
Hours: 21
Description: Morning *asana* classes that model the arch progression, focusing on the core poses. Students are exposed to a variety of teaching styles as well as different approaches to *asana* (gentle, therapeutic, strong, and vigorous, etc.).
Learning Objectives: Students experience a well-balanced *asana* class, preparing them to create their own classes. Students have a physical release during the day from so much sitting.

**Core Asana Training**
Techniques, Training and Practice (TTP)
Hours: 15
Description: A mix of theory and experiential teachings explaining the 9 groups of postures, the arch progression theory and 30 core poses.
Learning Objectives: Students will learn 30 core postures, understand their benefits and contraindications, and be able to identify common misalignments and appropriate modifications.

**Prenatal Theory & Practice**
Techniques, Training and Practice (TTP)
Hours: 3
Description: A general introduction of Prenatal Theory in Yoga practice with an overview of some of the changes women go through during pregnancy.
Learning Objectives: Students will understand the general guidelines for adapting yoga practices during pregnancy, including which practices to avoid and which practices are beneficial.

**Restorative Yoga Theory**
Techniques, Training and Practice (TTP)
Hours: 1.5
Description: Based on the science of rejuvenative practices, students will learn how to teach basic poses that open the body and calm the mind.
Learning Objectives: Students will be able to create a restorative class that accommodates all levels.

**Kid’s Yoga**
Techniques, Training and Practice (TTP)
Hours: 3
Description: This class provides techniques and tools for teaching yoga to kids of all ages, through both theory and experience.
Learning Objectives: Students will learn ways to teach yoga to children, including incorporating fun *asana* games, visualizations, song/sound, and awareness of breath, they will then have some knowledge of how to design a class for children if they choose.

**The Anatomy of the Breath**
Anatomy & Physiology (AP)
Hours: 1.5
Description: This class looks at the basics of *pranayama* from an anatomical and physiological standpoint. Learning Objectives: Students learn how the body/brain reacts in *pranayama* practices.

**Language of Anatomy and Types of Movement**
Anatomy & Physiology (AP)
Hours: 3.0
Description: An introduction to the language of anatomy, the planes of movement and types of movement.
Learning Objectives: Students will be able to define the main planes and types of movement using the language of anatomy and begin to understand how these can be applied to individual asanas.

**Anatomy of the Subtle Body**  
Anatomy & Physiology (AP)  
Hours: 1.5  
Description: An introduction to the energetic principles according to the Hatha and Tantra systems.  
Learning Objectives: To familiarize students with subtle body anatomy: shariras, chakras, vayus, koshas, kundalini and nadis.

**Anatomy I**  
Anatomy & Physiology (AP)  
Hours: 1.5  
Description: This course is an introduction to human anatomy that provides students with a basic understanding of anatomical structure.  
Learning Objectives: Students will identify the value of understanding anatomy and the main anatomical systems of the human body.

**Anatomy II**  
Anatomy & Physiology (AP)  
Hours: 1.5  
Description: A closer look at the locomotive system (bones, muscles and joints), the 14 segments of movement, and the main muscles that move the bones.  
Learning Objectives: Students will be able to describe how the locomotive system functions and begin to identify major muscles and muscle groups involved in asanas.

**Anatomy III**  
Anatomy & Physiology (AP)  
Hours: 1.5  
Description: Practical application of previously studied concepts as well as an introduction to the concepts of skeletability, flexibility and maintaining overall health of the internal organs through asana.  
Learning Objectives: Students will learn to apply alignment principles to specific yoga postures and explain how variations in bone shape and flexibility result in differences between students within asanas.

**Ayurveda II – Anatomy & Physiology of Digestion**  
Anatomy & Physiology (AP)  
Hours: 1.5  
Description: This course explores Ayurvedic anatomy and physiology and introduces the concepts of the seven dhatus (tissues), the three malas (waste products), ojas, agni, and ama. It explains the essential role of digestion in Ayurveda, the concept of the six tastes, and how they affect the doshas. Students will understand the various levels of digestion (physical, mental, emotional).  
Learning Objectives: Students will be able to identify and define the following concepts: dhatus, malas, ojas, agni, and ama.

**Ayurveda III – The Physiology of Disease**  
Yoga Humanities (YH)  
Hours: 1.5  
Description: This course continues the exploration of Ayurvedic anatomy and physiology of the formation of tissues, and the concept of disease. It includes a review of the three malas (waste products) and the levels of digestion (physical, mental, emotional) as well as how diseases occur in the individual.  
Learning Objectives: Students will learn the Ayurvedic perspective on the process of disease, how the gunas and doshas can be used to understand the maintenance of health and the process of healing through diet, lifestyle and yogic practice.

**Ayurvedic Anatomy & Physiology of Asana**  
Anatomy & Physiology (AP)
Hours: 3
Description: Students will learn how to incorporate Ayurvedic principles into an asana practice and the effects on asana on the functions of the body. Students will learn the principles that can be incorporated into the teaching of asana.
Learning Objectives: Students will be able to create an asana practice that tailors to the season, time of day, and individual constitution.

Anatomy & Physiology of Shat Karma
Anatomy & Physiology (AP)
Hours: 1.5
Description: An explanation of the anatomy and physiology of the shat karma we teach.
Learning Objectives: Students will understand the effects of shat karma practices on the subtle and gross level body.

Anatomy & Physiology of Core Asanas
Anatomy & Physiology (AP)
Hours: 12
Description: An anatomical and physiological perspective on 32 core asana poses
Learning Objectives: Students will understand how the nine groups of postures, the arch progression theory, the 32 core poses relate to anatomy and physiology.

Introduction to Neuroscience
Anatomy & Physiology (AP)
Hours: 1.5
Description: This class explores the effects of yoga practice on brain function via modern neuroanatomy.
Learning Objectives: Students will learn many of the neurobiological benefits that can result from practicing yogic techniques.

Teaching & Learning
Professional Essentials (PE)
Hours: 1.5
Description: An introduction to the different styles of learning and how a teacher can adapt his or her methods accordingly.
Learning Objectives: Students will learn to identify basic learning styles so that they can design their classes to reach students effectively e.g. in an asana class, learning how verbal cues, visual demonstration, and gentle touch with permission can be effective methods.

Teaching Yoga Sadhana
Professional Essentials (PE)
Hours: 1.5
Description: Explanation of the process, planning, and teaching methodology involved in leading pranayama and meditation practices.
Learning Objectives: Students will understand the process of designing and teaching a yoga class that includes pranayama and meditation.

Teaching Meditation
Professional Essentials (PE)
Hours: 1.5
Description: A presentation, discussion and experiential practice in the teaching methodology of leading effective meditations.
Learning Objectives: Students will learn to identify and implement tools to lead effective meditations for beginning level practitioners.

Next Steps: Professional Development and Ethics
Professional Essentials (PE)
Hours: 1.5
Description: This class addresses the practical and ethical considerations pertaining to the transition from student to teacher out in the world.
Learning Objectives: Students will be able to make an informed decision regarding their next steps after graduation including the credentialing process, professional organizations, continuing education, and the relevant legal and ethical issues of teaching yoga as a career.

**Core Asana Teaching Methodology**
Professional Essentials (PE)
Hours: 6
Description: A detailed exploration and practice of the teaching methodology required to instruct students through 30 core poses.
Learning Objectives: Students will learn effective teaching methodology and cueing to correct common misalignments and provide appropriate modifications for 30 core poses.

**Asana Sequencing Methodology**
Professional Essentials (PE)
Hours: 9.5
Description: A series of classes focused on sequencing, pace, environment, cuing, and class management designed to prepare students to teach a well-rounded Beginning Level asana class.
Learning Objectives: Students will learn how to structure and sequence a class, how to teach to different kinds of learners, and how to cue for modifications and corrections.

**Asana Student Teaching**
Professional Essentials (PE)
Hours: 18
Description: Students teach each other a 90-minute asana class over three separate occasions, divided into Opening, Apex, and Closing sections and engage in feedback and discussion about the classes taught.
Learning Objectives: Students will gain experience in teaching an effective beginning level asana class to different kinds of students and refine their skills through reflection, observation, and discussion.

**Sadhana Student Teaching**
Professional Essentials (PE)
Hours: 12
Description: Students teach each other 1-hour pranayama and meditation classes and 30-minutes of pranayama workshop over two separate occasions and engage in feedback and discussion about each class.
Learning Objectives: Students will gain experience in teaching an effective beginning level pranayama and meditation class to different kinds of students and refine their skills through reflection, observation, and discussion.
CERTIFICATE IN ASHTANGA YOGA TEACHER TRAINING – 300 HOUR LEVEL (Advanced Yoga Studies)

**Total Program Hours**: 300  
**Cumulative Final Exam**: No  
**Graduation Document**: Certificate  
**Grading**: Pass or Fail  
- Pass: Successful completion of the course  
- Fail: Unsuccessful completion of the course  
- 90% attendance

**Program Length**: 7 Months

**Purpose / Objective:**

Mount Madonna Institute teaches a comprehensive system of yoga that has endured for over 5000 years. Through the teachings of Baba Hari Dass, the ancient practices of *ashtanga* (eight-limbed) and *hatha* yoga are preserved and disseminated for daily life today. This program is for those who are or wish to be yoga teachers, as well as for any conscientious student who wishes to expand and deepen his or her knowledge, experience, and practice of yoga. The courses includes in-depth instruction in the theory and methods of Ashtanga and Hatha Yoga, including *shat karma* (bodily purifications), *pranayama* (breathing practices), *mudra* (positions to seal and direct energy), *asana* (postures), *dharana* (concentration) and *dhyana* (meditation).

Course topics include Yoga Philosophy, *Yoga Sutras*, Ayurveda, Neuroscience, *Bhagavad Gita*, Biomechanics, Subtle (energy) Body Theory, Yoga Psychology and Teaching Methodology, as a foundation for one’s personal practice and for teaching Yoga. The curriculum includes a substantial student teaching practicum of *asana, pranayama*, meditation and yoga theory. This program is registered with Yoga Alliance. Graduates can register as a Registered Yoga Teacher at the 300-hour level with Yoga Alliance.

This program is an integral part of the Ayurveda Yoga Therapy Training program (see page 49) which is accredited with the International Association of Yoga Therapists (IAYT) and meets all of the educational standards of the National Ayurvedic Medical Association (NAMA) (accreditation pending).

**Admissions Requirement:**  
**Prerequisite**: High school graduation or equivalent and YTT 200-hour level certificate from a Yoga Alliance approved school.

**Recommended**: Attend at least one Open House.

**Graduation Requirements:**  
**Attendance:**
- All sessions must be punctually attended. An attendance record of at least 90% in the program is required in all schools.  
- Students must fulfill all assignments in all courses, despite any absences.  
- Additional fees may be charged to make-up the missed course. The make-up fee is $35.00 per hour paid in advance.

**Academic Requirements:**
- Students in the YTT 300 program must maintain a minimum average of C (70%) in all courses.  
- Students must achieve successful completion of all courses, outside assignments, and required program hours for each course. All work must be completed before a grade will be awarded for any course.  
- All coursework must be completed by the end of each trimester.
Tuition & Fees: 100% paid

Note: Mount Madonna Institute does not provide a Placement Service for graduates of its programs.

The program is delivered over 7 months, beginning with an 8-day intensive on campus, 6:30 am - 8:00 pm daily with meal breaks. This is followed by monthly extended online weekends over 5 months, starting Thursday evening at 5pm and ending Sunday at 5:30 pm. The program ends with another 8-day intensive on campus, 6:30 am - 8:00 pm daily with meal breaks.
ASHTANGA YOGA TEACHER TRAINING – 300 HR LEVEL COURSE DESCRIPTIONS

Sadhana: Intermediate Pranayama and Meditation
Techniques, Training and Practice (TTP)
Course Number: YTT 300/AYT 300
Contact Hours: 36
Description: Students will delve deeper into the beginning pranayama taught in YTT 200. Students will learn and practice intermediate pranayama that use breath retention. Students learn and practice various meditation techniques as described in classical texts: Yoga Sutras, Hatha Yoga Pradipika, Tantra, Upanishads, Vedas, etc.

Yoga Theory and Philosophy
Yoga Philosophy/Lifestyle Ethics (YPLE)
Course Number: YTT 301/AYT 301
Contact Hours: 23
Description: This course includes an overview of Classical Ashtanga Yoga as taught by Baba Hari Dass. Sets the stage of Ashtanga in the context of the main systems of Yoga including Bhakti, Karma, and Jñana Yoga. It provides an introduction to the program and an overall integration of material presented.

Subtle Body (Energetic) Anatomy
Yoga Philosophy/Lifestyle Ethics (YPLE)
Course Number: YTT 302/AYT 302
Contact Hours: 7
Description: Prana theory will be explored in the context of Samkhya philosophy, the Yoga Sutras and the Hatha Yoga Pradipika.

Ethics of Yoga
Yoga Philosophy/Lifestyle Ethics (YPLE)
Course Number: YTT 303/AYT 303
Contact Hours: 7.5
Description: A review of Mount Madonna's ethical guidelines and small group discussions. Students will integrate the yama and niyama into the teaching of yoga and the overall student-teacher relationship.

Ayurveda & Sadhana Practice
Techniques, Training and Practice (TTP) Anatomy & Physiology (AP)
Course Number: YTT 304/AYT 304
Contact Hours: 7.5
Description: This course covers pranayama and meditation for your dosha and talks about the specifics of choosing a meditation that is specific to dosha. It speaks to which breath practices can balance doshic imbalances.

Yoga and Neuroscience
Techniques, Training and Practice (TTP)
Course Number: YTT 305/AYT 305
Contact Hours: 11
Description: This course is based on the Yoga Sutras of Patanjali with translation and commentary by Baba Hari Dass. Writings and recent research in the fields of neurobiology, psychology, and contemplative practices will be used for integration.

Sanskrit as Sacred Sound
Yoga Philosophy/Lifestyle Ethics (YPLE)
Course Number: YTT 306/AYT 306
Contact Hours: 6
Description: A continuing exploration of aspects of the Sanskrit language and mantra practices, and how they are related to the philosophy of Yoga.

**Meditation: Theory and How to Teach**
Techniques, Training and Practice (TTP)
Course Number: YTT 307/AYT 307
Contact Hours: 4.5
Description: This class will cover the obstacles people may encounter while trying to meditate and techniques that may be useful in overcoming obstacles.

**Yoga Sutra Study**
Yoga Philosophy/Lifestyle Ethics (YPLE)
Course Number: YTT 308/AYT 308
Contact Hours: 29
Description: An overview of Patanjali’s Yoga Sutras as they are applied to Samkhya philosophy. Includes Sanskrit chanting, lecture, self-reflective exercises, and discussion.

**Bhagavad Gita**
Yoga Philosophy/Lifestyle Ethics (YPLE)
Course Number: YTT 309/AYT 309
Contact Hours: 8
Description: Gives an overview of this important ancient scripture as well as its symbolism and hidden meaning as it relates to the inner journey of the seeker through practices consistent with a yogic lifestyle.

**Tantra**
Yoga Philosophy/Lifestyle Ethics (YPLE)
Course Number: YTT 310/AYT 310
Contact Hours: 9
Description: This class is a broad sketch of the Tantra tradition exploring its historical roots and evolution into its modern-day presentation.

**Asana Sequencing**
Techniques, Training and Practice (TTP)
Course Number: YTT 311/AYT 311
Contact Hours: 9
Description: The class will go over the science of sequencing: how poses can best be linked and ordered to form a well-rounded class which will focus on the spine in the gross body and the prana vayus in the subtle body.

**Mentoring Groups with Senior Teachers**
Techniques, Training and Practice (TTP)
Course Number: YTT 312/AYT 312
Contact Hours: 16.5
Description: This course is designed to allow students time with a mentor to communicate any areas of material that may need more clarification. Students will also use this time to communicate with peers on work projects.

**Yoga Psychology**
Yoga Philosophy/Lifestyle Ethics (YPLE)
Course Number: YTT 313/AYT 313
Contact Hours: 7.5
Description: This course explains the different aspects of the mind and makes a distinction between the self and the SELF and the different ways to merge the two selves.

**Asana Biomechanics**
Anatomy & Physiology (AP)
Course Number: YTT 314/AYT 314
Contact Hours: 12
Description: Survey of the major joints of the body (bones, muscles, tendons, ligaments, connective tissue) to assess movement and range of motion; view which asanas work in specific areas to increase strength and flexibility. This class is highly participatory with an Experiential Anatomy Clinic.

**Student Assessment**
Techniques, Training and Practice (TTP)
Course Number: YTT 315/AYT 315
Contact Hours: 7.5
Description: Assessing to facilitate learning for both teacher and student in terms of breath, stability, strength and individuality.

**Student Teaching Methodology**
Techniques, Training and Practice (TTP)
Course Number: YTT 316/AYT 316
Contact Hours: 3.5
Description: This course will prepare students to use information covered to design and implement a theory class.

**Svadyaya (Self Study)**
Yoga Philosophy/Lifestyle Ethics (YPLE)
Course Number: YTT 317/AYT 317
Contact Hours: 14
Description: This course is designed to allow students time to reflect on why self-study is an important part of a spiritual journey and how it can be a useful tool.

**Student Teaching of Asana**
Practicum
Course Number: YTT 318 /AYT 318
Contact Hours: 21
Description: The student will teach a 75-minute *asana* class to their group of peers with supervision, evaluation and 15 min. feedback. When not teaching, the student will be observing and/or taking the class for providing feedback.

**Student Teaching of Pranayama & Meditation**
Practicum
Course Number: YTT 319/AYT 319
Contact Hours: 28
Description: Each student will teach an intermediate *sadhana* class to a small group with supervised evaluation and feedback. When not presenting, the student will observe other student teachers.

**Student Teaching of Yoga Theory**
Practicum
Course Number: YTT 320 /AYT 320
Contact Hours: 17.5
Description: The student will teach a 10 and 45-minute presentation in yoga philosophy or theory to a larger group. There will be supervised evaluation and feedback. When not presenting the students will observe other student teachers.

Asana Biomechanics Clinic
Techniques, Training and Practice (TTP)
Course Number: YTT 321/AYT 321
Contact Hours: 15
Description: This asana practice will work specifically with the biomechanics covered in the previous day's theory class. Students will learn how to structure a class with safety as a priority.
Ayurvedic Yoga Therapy (AYT)

The MMI Ayurveda Yoga Therapy Training Program combines the MMI Ayurvedic Health Counselor (AHC) Program and the MMI Ashtanga Yoga Teacher Training 300 Hour Level, with an additional Ayurvedic Yoga Therapy Integration component. Refer to page 13 in the catalog for AHC course listings and information and to page 43 in the catalog for Advanced Yoga Studies - YTT 300 course listings and information.

Total Program Hours: 1084

- The Ayurvedic Health Counselor (AHC) program, 359 hours
- The MMI Advanced Yoga Studies (YTT 300) – Yoga Teacher Training, 300 hours
- The Ayurvedic Yoga Therapy (AYT) Integration 425 hours

Admission Requirements:

- High-school graduation or equivalent
- YTT-200 certification from a Yoga Alliance approved school
- Two-years personal yoga practice
- Minimum one-year yoga teaching experience
- Completed Application
- Application Fee

Corequirement:

- 4 college credits Anatomy & Physiology (pre-requisite for the AHC program)

Purpose/Objective:

The Ayurveda Yoga Therapy program at MMI has as its foundation the understanding that self-development, therapy, healing and transformation of the individual and community is possible through the disciplined study, practice and contemporary application of the ancient wisdom of yoga and Ayurveda.

Two of our well-established programs: the Ayurvedic Health Counselor (AHC) program and the Advanced Yoga Studies (YTT 300) program, form the foundational components of the Ayurvedic Yoga Therapy program. These two programs are then further integrated with a new offering called the Ayurveda Yoga Therapy Integration.

While the Advanced Yoga Studies yields a YTT 300 certificate recognized by the Yoga Alliance, it extends well beyond what is required in scope and dimension. Using Patanjali’s Yoga Sutras as the backbone, the Advanced Yoga Studies program sets out the building blocks for a deeper understanding of therapeutics. The approach is multidimensional, viewing the human being as sharira, manas, indriyas and atma. While asana, kinesiology and biomechanics are there to support the sharira, the other limbs of yoga are more deeply explored to fully address the other pillars. Study of the Bhagavad Gita, the Vedas, the Upanishads and Yogic Psychology provides a greater depth of understanding of the power of yoga. The students teach not only asana, pranayama and meditation, but they also teach yoga theory, philosophy or a sister discipline of yoga. They explore the relationship of neuroscience and yoga and spend time in svadhyaya.

The Ayurvedic Health Counselor (AHC) program prepares the student for a career in the healthcare field. The AHC graduate is able to provide diet (ahara), lifestyle (vihara) and wellness support by integrating constitutional assessment, nutritional knowledge, basic herbology (primarily cooking herbs), healthy
lifestyle management, introductory counseling skills, basic yoga for health management; introductory Ayurvedic psychology, bodywork therapies and subtle therapies (Jyotish, Hasta & Vastu). The AHC program has a clinical component (Internship & Externship) wherein the student may practice his/her skills with ongoing supervision.

Ayurvedic Yoga Therapy (AYT) Integration program further unites the sister sciences as students begin to look at disease management. Here students view pathology through the lens of Ayurveda and offer therapeutics from any of the limbs of yoga (ashtanga and hatha). The student integrates what was learned about health and wellness into management of disease and symptoms. Students use the principles of yoga and Ayurveda to empower an individual to heal themselves. Additional biomedical and assessment skills are layered on at this level. Through clinical practicum (Internship and Externship) students have an opportunity to apply their knowledge and design therapeutic practices for both individuals and groups.

**Graduation Requirements:**

**Attendance:**
All sessions must be punctually attended. An attendance record of at least 90% is required in all Schools. If any session is missed, the student must complete a make-up session with the instructor. Additional fees are charged for the make-up. Make-up fee is $50.00 per hour.

**Academic Requirements:**
A standard of 2.5 (75%) or better is required for all students, for all graded assessments, including the aggregate of all assignments, quizzes, homework, case studies and special projects. The student must pass all Pass/Fail classes. Timely submission of all assignments is required. Demonstrated comprehension of the material and capacity to communicate it are required. All work must be completed before a grade will be awarded for any course. An Incomplete grade is given at an instructor’s discretion to a student who has demonstrated satisfactory attendance and assignments throughout the majority of a course but cannot finish the remainder of his/her required assignments before the end of the course. An Incomplete must be completed within one year or grade of ‘F’ will be assigned.

**Final Exam:** Required to pass with a minimum average of C (70%)

**Tuition and Fees:** 100% Paid

**AYT Integration ONLY:**
**Total Program Hours:** 425
**Program Length:** Coursework is delivered over 2 trimesters (8 months) plus 4 trimesters (16 months) to complete the clinical practicum.
**Homework/Assignments:** 6-10 hours per week.
**Cumulative Final Exam:** Yes
**Graduation Document:** Certificate

Ayurvedic Yoga Therapy (AYT) Integration Course Descriptions

Western Anatomy & Physiology**
Course No. AYT 199
Contact Hours: 60 (4 College Credits)
Description: A survey course of the integration of structure and function of the human body.
**This course is required for the AHC portion of the program.

Integration of Yoga Practices with Diagnosis & Pathophysiology
Course No. AYT 200
Contact Hours: 26.5
Description: This course dives deeper into the limbs of yoga and the theory of applied Ayurveda. Specific yoga practices are given for specific conditions. Case Studies are assessed.

Pathophysiology – The Pathway of Disease
Course No. AYT 203
Contact Hours: 15.5
Description: This course explores the development of disease, the causes, the pathway of disease, the six stages, and how disease is interpreted through the Anatomy & Physiology and Physics of Ayurveda: dhatu, malas, srotas, ama & agni; and the complex of the mind.

Yoga, Ayurveda, and the Mind
Course No. AYT 251
Contact Hours: 12
Description: This course investigates the energetics of consciousness. It analyzes various strategies in Yogic and Ayurvedic psychology and explores a variety of therapies for the mind.

Principles of Yoga Therapy I
Course No. AYT 252
Contact Hours: 18
Description: This course integrates the previous components of the Ayurveda Health Counselor with Advanced Yoga Studies and provides a venue for further linking of the sister sciences through critical thinking and discrimination. The student will reframe their knowledge acquired and construct a system of client assessment that is individualized according to the needs of the client. This course also focuses on sustaining oneself as a practitioner through self-study (svadhyaya), peer relationships and education.

Professional Practices: Legal, Regulatory, Business
Course No. AYT 253
Contact Hours: 6
Description: This course examines the Scope of Practice through the eyes of regulatory bodies. Students discuss healthcare's Codes of Conduct in light of the yama and niyama. General business practices are discussed, and the required paperwork and documentation are reviewed.

Western Interface, Labs & Markers
Course No. AYT 254
Contact Hours: 9
Description: This course introduces the biology and chemistry of blood and how to competently interpret basic lab reports and integrate that reference into their clinical practice, as well as identify frequently used Western drugs and herb drug interactions.
Ayurvedic Yoga TherapyExternship (Individual Component)
Course No. AY 261
Contact Hours: 135
Description: Delivery is performed one-on-one after having completed AY 260. The student sees 20 clients for a total of 60 client encounters (initial intake of 90 minutes plus two 60-minute follow-ups plus two 15-min follow-ups post-supervision) (85 hours of practicum delivery).

Ayurvedic Yoga TherapyExternship (Group Component)
Course No. AY 262
Contact Hours: 45
Description: Class delivery is performed by one student to a group of no more than 6 clients. (30 hours of practicum delivery).

Integration of Yogic practices with Diagnosis & Pathophysiology II
Course No. AYT 300
Contact Hours: 18
Description: This course gives the student an opportunity to apply what they have learned and design the morning class as a group Ayurvedic Yoga Therapy Class and practice it on their peers with feedback. Students create a class outline with learning objectives, deliver it and receive feedback from peers and mentors. Students also observe the classes of their peers, fill out a peer evaluation and give feedback.

Ayurvedic Anatomy & Physiology for Diagnosis; Common Women’s Issues; Common Men’s Issues
Course No. AYT 301
Contact Hours: 18
Description: This course explores Anatomy & Physiology through an Ayurvedic lens, focusing on how sukshma sharira informs sthula sharira and how to use the qualities of the pancha maha bhutas (the ten pairs of opposites) as diagnostic and treatment tools. Embryology is studied and the effect of nutrition on the sapta dhatus, upadhatus, malas, ojas, tejas and prana for diagnostic measures is explored. Women's anatomy versus men's anatomy is explored along with common issues that arise.

Ayurvedic Yoga Therapy for Common Structural Issues: Injuries, Accidents, Repetitive Strain
Course No. AYT 302
Contact Hours: 16
Description: This course takes a look at common structural issues. Students are exposed to the basics of somatics and kinesiology. Injuries, accidents, and repetitive strain are viewed through the lens of Ayurveda.

Ayurvedic Yoga Therapy for Common Systemic Issues: Respiratory, Digestive, Cardiovascular
Course No. AYT 303
Contact Hours: 16
Description: This course looks at the major srotas in Ayurveda and determines what types of yogic and Ayurvedic therapies might be most effective for pranavahasrotas, annavahasrotas and rasavahasrotas.

Case Study Seminar
Course No. AYT 311
Contact Hours: 16
Description: This course gives students an opportunity to present client Case Studies to a faculty panel and to their peers, and to observe other Case Studies, contribute to the discussion of each and complete an observation/evaluation rubric.
Principles of Yoga Therapy II
Course No. AYT 352
Contact Hours: 16
Description: This course continues to integrate Yoga and Ayurveda for self-healing through critical thinking and discrimination. Students continue to reframe their knowledge to construct a set of treatment recommendations that meet the needs of the client. This course also focuses on sustaining oneself as a practitioner through self-study (svadhyaya), peer relationships and education.
CHILDREN’S YOGA TEACHER TRAINING (CYTT)
Yoga and Mindfulness for Educators

Total Program Hours: 95
Cumulative Final Exam: No
Graduation Document: Certificate
Grading: Pass or Fail
- Pass: Successful completion of the course
- Fail: Unsuccessful completion of the course
- 90% attendance
Program Length: 9 days

Purpose / Objective:
Mount Madonna Institute and Mount Madonna School are proud to jointly offer CYTT: Yoga and Mindfulness for Educators. In this program, adults, educators, and those who spend time with children will learn to create and teach engaging yoga classes for children. Apply the practices of Hatha Yoga and the theory of classical Ashtanga Yoga to child development. This comprehensive training will inspire you to bring the benefits of asana, breathing, and self-reflection to your young students and their families. This course is also designed to deepen your personal practice.

Topics cover Yoga Sutras, Ayurveda, Anatomy and Physiology, Neuroscience, Subtle (energy) Body Theory, and Yoga Psychology and Philosophy, child development and yoga learning theory. The program includes a substantial student teaching practicum. Our purpose is to present the teachings and methods that form the foundation both for one’s personal practice and for teaching yoga to children. This program is in the process of being registered with Yoga Alliance, and the training will qualify anyone who completes and who is already registered as Registered Yoga Teacher at the 200-hour (RYT 200) level to become CYTT registered with Yoga Alliance.

Admissions Requirements:
Prerequisite: None. For those applying to YA Certificate, YTT 200 Certificate is required

Graduation Requirements:
Attendance:
- All sessions must be punctually attended. An attendance record of at least 90% in the program is required in all schools.
- Students must fulfill all assignments in all courses, despite any absences.
- Additional fees may be charged to make-up the missed course. The make-up fee is $50.00 per hour paid in advance.

Academic Requirements:
- Students in the CYTT program must maintain a passing grade in all courses where grades are awarded.
- Students must achieve successful completion of all courses, outside assignments, and required program hours for each course. All work must be completed before a grade will be awarded for any course.
- All coursework must be completed by the end of each trimester

Tuition and Fees: 100% Paid

Course Format:
This program is delivered over 9 days in an immersive in-person format. The entire program takes place at Mount Madonna Center and classes run from 6:30am-8:30pm. Meals & Lodging must be reserved ahead of time and require an additional cost. Daily classes include lecture, guided practice, experiential practicum, and integration.

Mount Madonna Institute does not provide a Placement Service for graduates of its programs.
CHILDREN’S YOGA TEACHER TRAINING (CYTT) COURSE DESCRIPTIONS

Educational Categories:
Techniques, Training, and Practice (TTP)
Hours: 23.5
Teaching Methodology (TM) Hours: 15
Anatomy & Physiology (AP) Hours: 10
Yoga Philosophy/Lifestyle Ethics (YPLE) Hours: 24.5
Practicum (P) Hours: 18
Electives: 4
Total Program Hours: 95.00

History of Yoga
Yoga Philosophy/Lifestyle Ethics (YPLE)
Hours: 1.5
A history of the development of the various schools and practices of yoga as well history of yoga in contemporary America.

Neuroscience
Anatomy & Physiology (AP)
Hours: 2
Groundbreaking scientific discoveries regarding the neuroscience behind the effectiveness of yoga and meditation techniques for Pre-K, Elementary, Middle, and High School.

Introduction to Ayurveda: Energy and Nutrition
Yoga Philosophy/Lifestyle Ethics (YPLE)
Hours: 1
This introduction to Ayurvedic nutritional and energetic principles lays the foundation for looking at child development and education through the lens of elements and ayurvedic principles.

Introduction to Ayurveda: Child Development
Yoga Philosophy/Lifestyle Ethics (YPLE) Hours:
1
Ayurvedic child development: 3-10yrs, 11-13 yrs, 14-18 yrs. Male and female developmental differences; learning and behavioral issues; doshas, sleep and mental functions; strengthening digestion and mental functions.

Mindfulness and Yoga: Antakarana
Yoga Philosophy/Lifestyle Ethics (YPLE)
Hours: 1
Mindfulness as described in the Yoga Sutras with emphasis on mental development.

Child Development and Learning Theory
Techniques, Training, Practice and Practicum (TTP&P)
Hours: 1.5
After self-reflection on personal learning styles and development, formal review of learning theory of Piaget, Kohlberg, Maslow, Erickson, Kohl and learning styles.

Issues in Applying Yoga to Children
Techniques, Training, Practice and Practicum (TTP&P)
Hours: 1.5
Students will reflect on their challenges and issues in teaching and discuss possible solutions and resources. Summarize learning to date.
Deepening Concentration
Yoga Philosophy/Lifestyle Ethics (YPLE)
Hours: 1
Concentration in the yoga sutras-- chanted, translated, commentaries, and contemporary application in the classroom.

Yoga of Sound
Yoga Philosophy/Lifestyle Ethics (YPLE)
Hours: 1
Chanting Sanskrit Prayers from the Vedas, listening to mantra, creation of personal mantra expressed through song.

Kids Yoga Class Methodology
Techniques, Training, Practice and Practicum (TTP&P)
Hours: 6
After observing the lead teacher conduct a Kids Yoga class, students dissect the class, asking the questions: What worked? What didn't work? What were the methods employed in the class to engage the students? What could I see working for my students?

Pranayama Instruction Methodology
Techniques, Training, Practice and Practicum (TTP&P)
Hours: 2
Pranayama practices according to age group, including contraindication considerations. Students will develop classroom techniques and methodology for teaching pranayama to children to any age group.

Writing and Yoga
Techniques, Training, Practice and Practicum (TTP&P) Hours: 1.5
Three writing exercises to stimulate creativity, connect concepts, and personalize learning.

Movement for Children
Techniques, Training, Practice and Practicum (TTP&P) Hours: 1.5
Fun games and movement activities for various age groups. Students will physically synthesize and explore a large number age appropriate and varied types of movement and spatial awareness and their benefits.

Yoga Games and Partner Yoga
Techniques, Training, Practice and Practicum (TTP&P) Hours: 2
Fun games, partner poses, and activities. Students will plan lessons to teach these group activities to a variety of age groups.

Asana for Kids
Techniques, Training, Practice and Practicum (TTP&P) Hours: 2
Review of basic asanas for kids. Students will identify and create lessons with poses appropriate for children and practice giving appropriate cues appropriate for various age levels.

Kids Yoga Classes- Observation/Participation
Practicum (P) Hours: 6
Students participate and observe several different kid’s yoga classes for different ages. Students will identify elements of a well-organized and thoughtfully led children's yoga class.

Kid's Yoga Class- Practice Teaching
Practicum (P) Hours: 6
Students prepare asana and other yoga inspired/related activities and lead a group in the activities.
Pranayama Practice Teaching
Practicum (P) Hours: 6
Students create design various lengths of pranayama practices for various age groups and practice teaching them.

Introduction to Yoga Sutras 1
Yoga Philosophy/Lifestyle Ethics (YPLE)
Hours: 1.5
Chanting and explanation of the first 4 sutras of Book 1 Samadhi Pad. Students will recognize and discuss the foundational underpinnings of Yoga philosophy.

Introduction to Yoga Sutras 2
Yoga Philosophy/Lifestyle Ethics (YPLE)
Hours: 1.5
Chanting and explanation of the first 4 sutras of Book 2 Sadhana Pad. Students will recognize and discuss the foundational underpinnings of Yoga philosophy.

Yoga's Ethical Code and Classroom Applications
Yoga Philosophy/Lifestyle Ethics (YPLE)
Hours: 1
Students will recognize, reflect, and discuss the moral precepts of yoga as they relate to child development.

Introduction to Samkhya Yoga
Yoga Philosophy/Lifestyle Ethics (YPLE)
Hours: 1.5
Samkhya philosophy of consciousness and nature explained in relationship to subtle body anatomy.

Introduction to Yoga Philosophy
Yoga Philosophy/Lifestyle Ethics (YPLE)
Hours: 1
Introduction to the vast subject of Yoga and how it applies to children's education. Includes time for self-reflection and journaling.

Ethics and Philosophy 2
Yoga Philosophy/Lifestyle Ethics (YPLE)
Hours: 1.5
Review of Yoga Philosophy 1 and Ethical Code for Children's Yoga Teachers. Small group discussion. Addresses state and local legal requirements.

Yoga and Ayurveda Sister Sciences
Anatomy & Physiology (AP)
Hours: 1.5
Outline, comparing, and contrasting of each system with an emphasis on application to children.

Anatomy- Subtle Body
Anatomy & Physiology (AP)
Hours: 1.5
Overview of subtle body theory according to yoga philosophy. Students will identify and describe the different components of subtle body anatomy and discuss application to yoga for children.

Systems of the Body- Physiology
Anatomy & Physiology (AP)
Hours: 3
Overview of all the physiological systems of the human body with attention to child development.
Anatomy - Muscles and Bones
Anatomy & Physiology (AP)
Hours: 3
Overview of all the anatomical structures of the human body with attention to child development.

Developmental Anatomy
Anatomy & Physiology (AP)
Hours: 1
Overview of important physiological transitions that occur during pre-adult human development.

Mindfulness for the Classroom
Techniques, Training, Practice (TTP)
Hours: 5
Introduction of various meditation techniques from mindfulness traditions. Walking Meditation, Mindful eating, Mindful breathing, and other practices.

Restorative Workshop
Techniques, Training, Practice (TTP)
Hours: 4
Theory and practice of restorative yoga for high school students.

Asana
Techniques, Training, Practice (TTP)
Hours: 9
Classical Ashtanga Yoga Sadhana: asana. Emphasis on personal practice and application to various age levels of children's yoga classes.

Pranayama
Techniques, Training, Practice (TTP)
Hours: 3
Classical Ashtanga Yoga Sadhana: pranayama and pratyahara. Emphasis on personal practice and application to various age levels of children's yoga classes.

Meditation
Techniques, Training, Practice (TTP)
Hours: 2.5
Classical Ashtanga Yoga Sadhana: meditation. Emphasis on personal practice and application to various age levels of children's yoga classes.

Elective
Hours: 4
Teaching Methodology; Techniques, Training and Practice; Philosophy and Ethics: Reading and reflecting on Cook-Cottone Mindfulness and Yoga in Schools.
Chapters 1-9.
ASHTANGA YOGA PRENATAL TEACHER TRAINING

Total Program Hours: 85
Grading: Pass or Fail
  - Pass: Successful completion of the program
  - Fail: Unsuccessful completion of the program
Cumulative Final Exam: No
Graduation Document: Certificate
Program Length: 2 months total (Level 1 is a five-day module in April and Level 2 is a four-day module in May)

Purpose / Objective:
This comprehensive prenatal training includes in-depth instruction on prenatal asana, pranayama, meditation, Ayurveda, mindfulness techniques for labor, anatomy and physiology of pregnancy, common discomforts in pregnancy, and how to support mothers through every stage of pregnancy and postpartum. It is offered over two separate four-day sessions.

Level 1 includes instruction on prenatal asana, pranayama, meditation, Ayurveda, mindfulness techniques for labor, anatomy and physiology of pregnancy, common discomforts in pregnancy, and how to support mothers through every stage of pregnancy and postpartum.

Level 2 is about finding your voice and further cultivating your skills as a Prenatal Yoga Teacher while more deeply exploring post-natal theory and practices to support new mothers.

Admissions Requirements:

Prerequisite:
- High school graduation or equivalent
- While a YTT certificate is not required to take the course, it is required to register with the Yoga Alliance as a PYT (Prenatal Yoga Teacher).

Graduation Requirements:
Attendance:
- All sessions must be punctually attended. An attendance record of at least 90% in the program is required in all schools.
- Students must fulfill all assignments in all courses, despite any absences.
- Additional fees may be charged to make-up the missed course. The make-up fee is $50.00 per hour paid in advance.

Academic Requirements:
- Students in the PYTT program must maintain a passing grade in all courses where grades are awarded.
- Students must achieve successful completion of all courses, outside assignments, and required program hours for each course. All work must be completed before a grade will be awarded for any course.
- All coursework must be completed by the end of each trimester.

Tuition and Fees: 100% Paid

Mount Madonna Institute does not provide a Placement Service for graduates of its programs.

This program is delivered in two modules over 2 months in an in-person format. Level 1 is completed over 5 days and one month later, Level 2 is completed over 4 days. Both modules are conducted in-person through an intensive workshop experience at Mount Madonna Center. Classes run from 7:00am-8:30pm. Meals & Lodging must be reserved ahead of time and require an additional cost. Daily classes include lecture, guided practice, experiential practicum, and integration.
ASHTANGA YOGA PRENATAL TEACHER TRAINING COURSE DESCRIPTIONS

**Opening Circle and Introduction to Prenatal Yoga Teacher Training**
Prenatal
Hours: 2
Description: Opening circle, introduction to prenatal yoga and overview of session one.
Learning Objectives: To set the tone for a fruitful learning experience throughout the week (Session 1 of 2). To gain a general understanding of the goals and components of this first half of the Prenatal YTT.

**Postnatal Yoga Class Observation**
Practicum
Hours: 1.5
Description: Observation of an ongoing postnatal class that is dedicated to and designed for moms and babies (6 weeks to crawling).
Learning Objectives: To have an overview of what an actual postnatal (mama and baby) class looks like. To experience the following: the atmosphere of the class, the approach of the experienced teacher, the modifications and support given, and the adaptability of the students and the instructor to the uniqueness of having babies in the class.

**Prenatal Yoga Class Observation**
Practicum
Hours: 1.5
Description: Observation of ongoing prenatal yoga class.
Learning Objectives: To have an overview of what an actual prenatal class looks like. To experience the following: the approach of the teacher in setting the tone for the class; her ability to give a variety of modifications; the way she links poses, breathing techniques and time for sharing together to create a well-rounded yoga class experience; the response of the students.

**Asana Practice & Training (Session 1)**
Techniques, Training and Practice (TTP)
Hours: 11
Description: In these classes, we will practice asana that is appropriate and helpful for the pre and postnatal period. We will also discuss how and why we do certain poses and avoid others, as well as learn creative ways for our students to have a safe, healthy, satisfying asana practice.
Learning Objectives: To gain an experiential understanding of well-rounded prenatal and postnatal classes. To learn how to approach designing these types of classes and facilitating transformative education.

**Sadhana Practice & Training (Session 1)**
Techniques, Training and Practice (TTP)
Hours: 5
Description: These classes begin with pranayama and meditation practice as a group. During the second half of each class, we will learn new pranayama methods appropriate for pre and postnatal mamas.
Learning Objectives: To learn and practice pranayama and meditation techniques that students will be able to teach to their pregnant and postpartum mamas. Students will get thorough explanations of each practice taught and will have time to ask questions to fully understand the methods and their benefits.

**Prenatal Anatomy & Birth Culture 101**
Anatomy & Physiology (AP) Hours: 2
Description: Anatomy lecture and presentation on the female body during the various stages of pregnancy. Learning Objectives: This class is designed to educate students on the physical and potential psychological experience in relation to giving birth in today's society.

**Postnatal Yoga**
Techniques, Training and Practice (TTP) Hours: 1.5
Description: This class addresses the fundamentals of teaching a postnatal yoga class through both discussion and practice. Learning Objectives: To understand the key elements of designing a class that is supportive for mothers with their small babies (postnatal/mama & baby class).

**Supporting a New Mother's Emotional Journey into Parenthood**

Prenatal

Hours: 2

Description: This class sheds light on the challenges so often faced by new mothers and informs students of ways they can offer support.

Learning Objectives: To inform students of common struggles of new mamas and empower them with knowledge of how to they can empathize and be of service.

**Subtle Energy & Ayurveda**

Anatomy & Physiology (AP)

Hours: 2

Description: Introduces the subtle anatomy of Yoga and Ayurveda (nadis, chakras, pranas, kundalini, etc.)

Learning Objectives: To gain a basic understanding of the subtle body system as part of the whole person. This knowledge will inform students in their own practice and in their teaching of pre and postnatal yoga.

**Prenatal Restorative Yoga**

Techniques, Training and Practice (TTP)

Hours: 2

Description: In this class, students are led through a restorative asana class that is appropriate for pregnancy. Learning Objectives: To experience restorative yoga (as intended for pregnant women), and to understand the benefits of this type of practice.

**Common Issues & Discomforts**

Prenatal

Hours: 1.5

Description: This class presents the most common issues and discomforts faced in pregnant and postpartum women. We will discuss how to provide support for women with these discomforts in our yoga classes. Learning Objectives: To understand the cause of discomforts or other physically limiting issues that our pregnant and postpartum students are experiencing. To learn ways to help them find relief from certain discomforts and practice safely when these issues are present.

**Teaching Postnatal Yoga**

Teaching Methodology (TM)

Hours: 1.5

Description: We will discuss the theory and methods of designing a well-rounded, safe postnatal yoga class. Learning Objectives: To understand how to design, modify and teach postnatal yoga classes (including some pranayama, meditation, and time of sharing for each mother, as well as asana).

**Compassion, Sensitivity & Empowerment**

Prenatal

Hours: 2

Description: This class is for sharing wisdom amongst the group - experiences of/related to pregnancy, birth, postpartum. Learning Objectives: To deepen our own sensitivity and sense of compassion around pregnancy, birth and postpartum so we can empower mamas through all of these stages.

**Birth Movie Night**

Yoga Philosophy/Lifestyle Ethics (YPLE)

Hours: 2.5

Description: We will watch and discuss selected films showing the birth process including labor and postpartum.
Learning Objectives: To gain understanding of the experience of birth so that we can be in touch with what mamas need in the way of support (pre and postnatal). Core Awareness for the Childbearing Year.

Anatomy & Physiology (AP)
Hours: 1.5
Description: In this class, students will learn, in great detail, about the various abdominal muscles and how they adapt throughout the stages of pregnancy and after giving birth. Students will also learn how to incorporate this information into their teaching.
Learning Objectives: To understand how to safely guide women through yoga postures and transitions with special consideration given to the abdominal muscles. To be able to help prenatal mamas avoid diastasis recti, and to help postnatal mamas heal diastasis recti if they are experiencing it.

Sadhana Theory for Pre and Postnatal
Teaching Methodology (TM)
Hours: 1.5
Description: This class takes a deeper look into the theory and practice of sadhana (specifically pranayama and meditation) for pre and postnatal classes. We will build on what we have been learning in the morning sadhana classes and have a chance to get additional questions answered.
Learning Objectives: To gain further understanding of how and why pranayama and meditation are beneficial, particularly during and after pregnancy. To know how to modify pranayama methods for pre- and postnatal women.

Postnatal Yoga Class Observation
Practicum
Hours: 1.5
Description: Observation of an ongoing postnatal class that is dedicated to and designed for moms and babies (6 weeks to crawling).
Learning Objectives: To have an overview of what an actual postnatal (mama and baby) class looks like. To experience the following: the atmosphere of the class, the approach of the experienced teacher, the modifications and support given, and the adaptability of the students and the instructor to the uniqueness of having babies in the class.

Prenatal Yoga Class Observation
Practicum
Hours: 1.5
Description: Observation of ongoing prenatal class.
Learning Objectives: To have an overview of what an actual prenatal class looks like. To experience the following: the approach of the teacher in setting the tone for the class; her ability to give a variety of modification; the way she links poses, breathing techniques and time for sharing together to create a well-rounded yoga class experience; and the response of the students

Postnatal Yoga
Techniques, Training and Practice (TTP)
Hours: 1.5
Description: This class addresses the fundamentals of teaching a postnatal yoga class through both discussion and practice.
Learning Objectives: To understand the key elements of designing a class that is supportive for mothers with their small babies (postnatal/mama & baby class).

Moving Forward as a Prenatal Yoga Teacher
Prenatal
Hours: 1
Description: This class addresses how to use all of the knowledge gained in this session (Session 1 of 2) as students return to their everyday lives and teaching opportunities.
Learning Objectives: To feel confident in applying what they have learned in their own teaching of pre and postnatal classes.
Group Asana
Practicum
Hours: 1
Description: This class is led by students. Each student will teach a small section of the class, picking up seamlessly where the previous person left off, resulting in a well-rounded prenatal class.
Learning Objectives: To apply the concepts we have learned about teaching prenatal asana. To think on our feet about what the most appropriate next pose(s) should be given what was offered immediately before. To gain skills and confidence with sequencing a prenatal asana class.

Closing Circle
Yoga Philosophy/Lifestyle Ethics (YPLE)
Hours: 1
Description: This is a chance to bring closure to the time spent in study and practice. We will reflect upon what we have learned.
Learning Objectives: To integrate the experience of learning over the past five days through reflection within the group.

Opening Circle & Introduction to Part 2 of the Training
Yoga Philosophy/Lifestyle Ethics (YPLE) Hours: 1.5
Description: We will set the intention for this second part of the training, becoming clear of our teaching and learning goals.
Learning Objectives: To set the tone for a fruitful learning experience throughout this final week of YTT. To gain clarity about what this week's courses offer, and why they are important for our teaching of pre and postnatal yoga.

Postnatal Yoga Class Observation (Session 2)
Practicum
Hours: 1.5
Description: Observation of an ongoing postnatal class that is dedicated to and designed for moms and babies, 6 weeks to crawling.
Learning Objectives: To have an overview of what an actual postnatal (mama and baby) class looks like. To experience the following: the atmosphere of the class, the approach of the experienced teacher, the modifications and support given, and the adaptability of the students and the instructor to the uniqueness of having babies in the class.

Prenatal Yoga Class Observation (Session 2)
Practicum
Hours: 1.5
Description: Observation of ongoing prenatal class. Learning Objectives: To have an overview of what an actual prenatal class looks like. To experience the following: the teacher in setting the tone for the class; her ability to give a variety of modifications; the way she links poses, breathing techniques, and time for sharing to create a well-rounded yoga class experience

Observation Q & A (for each Session)
Teaching Methodology (TM) Hours: 1
Description: This is an opportunity to ask questions about the pre or postnatal class that was just observed. Learning Objectives: To understand why the teacher taught the material she did, and how she approached modifications and offering of support.

Asana Practice - Student Led (Session 2)
Practicum
Hours: 2
Description: This class is taught by the students - each student teaches a portion of a prenatal-style class.
Learning Objectives: To become comfortable leading others through poses as one would for pregnant women - offering modifications and additional support where needed.

Sadhana Practice & Training (Session 2)
Techniques, Training and Practice (TTP)
Hours: 5
Description: Each class begins with group practice of pranayama and meditation (suitable for pre and postnatal classes). During the second half of each class, we will continue learning new pranayama methods appropriate for pre and postnatal mamas.
Learning Objectives: To continue to learn and practice pranayama and meditation techniques that students will be able to teach to their pregnant and postpartum mamas. Students will get thorough explanations of each practice taught and will have time to ask questions to fully understand the methods and their benefits.

Sound as Support for Mamas
Techniques, Training and Practice (TTP)
Hours: 2
Description: Students participate in an ongoing offering that is part of a doula salon. The focus is on using sound and music to support and nurture women during pregnancy.
Learning Objectives: To witness to profound effect of the use of music and other sound in supporting/nurturing mamas-to-be (for ex.: observing the relaxing effect on their nervous systems and psyches).

Asana Theory
Teaching Methodology (TM)
Hours: 1.5
Description: This class presents asana theory as related to teaching prenatal and postnatal classes.
Learning Objectives: To deepen understanding of asana teaching principles and learn specific effects of poses during and after pregnancy.

Midwifery Wisdom/Anatomy 2
Anatomy & Physiology (AP)
Hours: 3
Description: This class outlines, in detail, the development of new human life from zygote to newborn, as well as the corresponding anatomical changes in the mother's body.
Learning Objectives: To gain a thorough understanding of the phases of pregnancy for both mother and babe. To learn how pregnancy (and even the period prior to pregnancy) can be supported to increase the health of mom and babe, and to reduce the need for interventions at birth.

Prenatal Restorative Yoga 2
Practicum
Hours: 2
Description: Building upon the elements learned in Session 1 about Restorative Yoga for pre and postnatal moms, students will lead each other through these poses. Learning Objectives: To gain experience and confidence in teaching/modifying restorative postures specifically for pregnant and postpartum moms.

Your Role Supporting Mamas & Babes
Prenatal
Hours: 1.5
Description: This class addresses how trainees can use all of the information and practice from this training as they support pregnant and new mothers in their own prenatal and postnatal (as well as regular) yoga classes. Learning Objectives: To maximize understanding of all of the ways trainees can use the tools and skills they have acquired to support women during the childbearing year and beyond.

Closing Circle
Yoga Philosophy/Lifestyle Ethics (YPLE)
Hours: 1
Description: We will bring closure to the time spent in study and practice, reflecting upon what we have learned and experienced throughout the whole training.
Learning Objectives: To integrate our learning experiences through group reflection and empower each other to share the wisdom we have gained.
**Student Teaching Preparation** Teaching Methodology (TM)

Hours: 2
Description: Students begin planning their own 1.5-hour prenatal class. The lead instructor is available should they like to consult with her during their planning process.
Learning Objectives: To be able to design a well-round, safe class for pregnant women. This class will be taught to their fellow-students.

**Observations Continued**

Practicum

Hours: 4
Description: Students are required to observe at least 4 additional hours of either prenatal or postnatal yoga classes taught by experienced teachers in their community.
Learning Objectives: To continue to learn how to design and teach pre and postnatal yoga classes, and how to support their own students by observing these ongoing classes.
The School of Community Studies*

The School of Community Studies is dedicated to the study and practice of positive transformation of ourselves and the communities in which we live and work. Students explore what it means to help sustain healthy, caring families, groups, communities, and organizations. While in residence at MMC, participants have an opportunity to serve within a successful intentional community that has been thriving for more than 40 years, learn Yoga and Ayurveda practices and tools, community history and philosophy, and reconsider their understanding of community interdependence and their sense of Self consciousness.

*The Community Studies Program is currently being reimagined and redesigned, with an aim to begin again soon. Further details will be available in 2023.
Mount Madonna Institute Research Center

Mount Madonna Institute (MMI) initiated the Mount Madonna Institute Research Center, dedicated to research on Ayurveda, Yoga, and Community, in 2020.

VISION

MMI Research Center will support and conduct basic and clinical research on Ayurveda and Yoga with an emphasis on their application to the health and well-being of individuals and communities, in partnership with academic institutes, research centers, integrative medicine centers, and those in private practice, both in the USA and internationally.

- Facilitate research on the application of Ayurveda and Yoga to promote health and wellbeing for individuals and communities
- Develop partnership with universities and preventive medicine research institutes for basic and clinical research projects in Ayurveda and Yoga
- Facilitate collaborative international projects between Ayurvedic universities in the East and Integrative Medicine Centers in the United States
- Facilitate collaborations between Ayurveda and Yoga practitioners and biomedical researchers
- Facilitate collaborative projects between Yoga centers and departments, and Psychology and Community Studies departments
- Sponsor Masters and Doctoral level research in Ayurveda, Yoga, and Community Studies
- Organize research symposiums
- Contribute to the preservation of the ancient knowledge in Yoga and Ayurveda

Mount Madonna Institute Research Center is directed by Shraddha Ravani, MA-Ayurveda, a research biologist and doctoral student currently working in the field of cancer research.
Admissions Policy and Procedure

ADMISSIONS POLICIES PER PROGRAM

COLLEGE OF AYURVEDA

Diploma – Ayurvedic Health Counselor
Admissions Requirements
Prerequisite:
• High school diploma or equivalent
• 4 college level credits of Anatomy and Physiology

Recommended:
• Attend at least one Open House

Application Checklist
Complete Signed Application:
• Application Fee ($150)
• Life Experience Resume
• Education Resume
• Statement of Goals
• Two Confidential Letters of Recommendation
• After completion of all required documents, applicants will be interviewed virtually.

Certificate – Ayurvedic Practitioner
Admissions Requirements
Prerequisite:
• High school graduation or equivalent required.
• Successful completion of the Ayurvedic Health Counselor (AHC) program required.
• MMI AHC graduates from 2019 or earlier must pass the current MMI HAC exam or the NAMACB AHC exam.
• If the AHC was completed elsewhere, student must pass the NAMACB AHC National exam or the MMI AHC exam.
• 6 college level credits of college level Anatomy & Physiology

Recommended:
• Attend at least one Open House
• BA or BS from an accredited institution
• NAMA AHC Professional Membership

Application Checklist
Complete Signed Application:
• Application Fee ($150, or $50 continuing students)
• Life Experience Resume
• Education Resume
• Statement of Goals
• Three Confidential Letters of Recommendations
• After completion of all required documents, applicants will be interviewed virtually.

Master of Arts-Ayurveda Degree Program
Admissions Requirements
Prerequisite:
• BA or BS from a regionally accredited institution, minimum of 3.0 GPA.
• If the degree was completed in another country, documentation that the institution offers degree programs equivalent to those approved by the U.S. Department of Education must be provided.
• Successful completion of the Certificate – Ayurvedic Practitioner (C-AP) program required.
• MMI AP graduates from 2020 or earlier must pass the current MMI AP Exam, or the NAMACB AP Exam.
• If the AP was completed elsewhere, student must pass the NAMACB AP National Exam or the MMI AP exam.
• 6 college level credits of Anatomy & Physiology.

After completion of all required documents, applicants will be interviewed virtually.

Recommended:
• Attend at least one Open House
• NAMA AP Professional Membership

Application Checklist:
Complete Signed Application:
• Application Fee ($150 or $50 continuing students)
• Life Experience Resume
• Education Resume
• Statement of Goals
• Three Confidential Letters of Recommendations
• After completion of all required documents, applicants will be interviewed virtually.

---

SCHOOL OF YOGA
Certificate in Ashtanga Yoga Teacher Training – 200 Level
Ashtanga Yoga Prenatal Teacher Training
Children’s Yoga Teacher Training:

Admissions Requirements
• High school diploma or equivalent
• Completed Application
• Application Fee $25.00

Recommended:
• Attend at least one Open House

Certificate in Ashtanga Yoga Teacher Training – 300 Level:

Admissions Requirements

Prerequisite:
• High school diploma or equivalent
• 200-hour Yoga Teacher Training from a Yoga Alliance approved school*

*Grades of a 200-hour Yoga Teacher Training from any school other than Mount Madonna Institute are required to attend the Yoga & Ayurveda Essentials Workshop, which introduces Mount Madonna’s unique style of training teachers. Information about that program can be found online or by emailing yoga@mountmadonna.org .

• Completed Application
• Application Fee $25.00

Recommended:
• Attend at least one Open House
Certificate in Ayurvedic Yoga Therapy:

Admissions Requirements

Prerequisite:
- High school diploma or equivalent
- 200-hour Yoga Teacher Training from a Yoga Alliance approved school*

*Graduates of a 200-hour Yoga Teacher Training from any school other than Mount Madonna Institute are required to attend the Yoga & Ayurveda Essentials Workshop, which introduces Mount Madonna’s unique style of training teachers.

Information about that program can be found online or by emailing yoga@mountmadonna.org.

- Anatomy & Physiology 4 college credits (which are part of the AHC program requirements)
- Minimum two-year personal yoga practice
- Minimum one-year yoga teaching experience
- Completed Application
- Application Fee

Recommended:
- Attend at least one Open House

SCHOOL OF COMMUNITY STUDIES

*The Community Studies Program is currently being reimagined and redesigned, with an aim to begin again soon. Further details will be available in early 2023. Check the MMI website calendar for more details.

For All Certificate and Diploma programs and programs requiring a High School Diploma
Mount Madonna Institute will accept a bachelor’s degree diploma as evidence of completion of high school. MMI also recognizes other secondary education completion equivalents, including a General Educational Development Test (GED), passing results of the California High School Proficiency Exam, a DD214 that indicates high school equivalency, a degree issued to the student that indicates the high school graduation, or

Recruitment
Mount Madonna Institute does not offer any form of Recruitment Incentive Compensation, Commissions, Bonus Payments, or Merit Salary Adjustments based on enrolling students.

Articulation Agreements
Mount Madonna Institute has not entered into transfer or articulation agreements for any of its programs with any other college, university or educational institution.

INTERNATIONAL STUDENTS
Generally, a citizen of a foreign country who wishes to enter the United States must first obtain a visa, either a nonimmigrant visa for temporary stay, or an immigrant visa for permanent residence. A student visa is necessary to study in the United States. Mount Madonna Institute does not offer visa services to prospective students from other countries.

At this time, Mount Madonna Institute is not a SEVP-approved school certified and authorized by the Department of Homeland Security (DHS) to accept and enroll F visa international students. It does not accept international students into Certificate and ‘For Credit’ Programs.

Not-For-Credit Programs
A visitor (B) visa permits enrollment in short ‘recreational course of study’, which is not for credit toward a degree or
academic certificate.

Mount Madonna Institute allows international students to enroll in short term, “not for credit” recreational programs not leading to a degree or certificate. These would include short workshops and “programs of general interest” occasionally offered through Mount Madonna Institute.

**English as a Second Language**

Applicants for whom English is not their primary language must demonstrate proficiency in English through satisfactory completion of the Test of English as a Foreign Language (TOEFL). These applicants are required to take an English proficiency examination and meet minimum scores set by MMI in order to be considered for admission. The Test of English as a Foreign Language (TOEFL) can be used to meet this requirement. Decisions regarding English proficiency are at the discretion of the Office of Graduate Admissions and the Academic Department. All instruction at the Institute is in the English language.

Listed below are the minimum scores necessary for admission:

**TOEFL Score Minimums**

<table>
<thead>
<tr>
<th>IBT</th>
<th>CBT</th>
<th>PBT</th>
</tr>
</thead>
<tbody>
<tr>
<td>71 points</td>
<td>197 points</td>
<td>527 points</td>
</tr>
</tbody>
</table>

All English proficiency scores are valid for two years from the test date. Official test scores must be provided directly from the testing agency.

**Test of English as a Foreign Language (TOEFL):**

[www.ets.org/toefl](http://www.ets.org/toefl)

**Admissions Procedure**

Admission procedures include meeting with an Admissions representative to review goals, programs offered, school policies and procedures, school performance fact sheet, and graduation requirements. Students interested in joining any Ayurveda programs are requested to attend a virtual Open House. Each prospective student must:

1. Provide documentation of prior education as outlined in the Admission Policy for the program of interest.
2. Complete an application.
3. Attend an interview.
4. If applicable, show a TOEFL score.

Applicant assessment determines capacity to successfully meet course requirements, including principles and practices. Special achievements and related life experience will be considered in admissions decisions. Character prerequisites include maturity, self-responsibility, good judgment, sincerity, dedication, and respect.

Acceptance notification is issued to the student with relevant program orientation information at least 30 days prior to program commencement or no more than two weeks after receipt of application if received less than 45 days before commencement of the program.

**International Students and English Language Services**

Mount Madonna Institute does not offer English as a Second Language instruction. All instruction is delivered in English. English language proficiency is documented by:

1. Admissions interview.
2. Receipt of prior education documentation as stated in the admission policy.
3. If applicable, TOEFL score.

**Foreign Transcript Evaluation**

All foreign transcripts and degrees must be evaluated and translated to meet U.S. equivalency.

The following is a sample of foreign transcript and degree evaluators. Mount Madonna Institute does not endorse any
evaluators.

- Foreign Consultants: http://www.foreignconsultants.com/
- Educational Credential Evaluators: http://www.ece.org/
- Educational Perspectives: http://www.educational-perspectives.org
  International Consultants of Delaware: http://www.icdel.com/
- International Research Foundation, Inc.: http://www.ierf.org/
- World Education Services: http://www.wes.org/

**Ability-To-Benefit**

Mount Madonna Institute does not admit ability-to-benefit students.
TRANSFER OF CREDIT – Master of Arts Program

Mount Madonna Institute evaluates transfer credit from units earned at institutions accredited by an accrediting association recognized by the U.S. Department of Education or approved by the California Bureau for Private Postsecondary Education.

The maximum number of credits for which course exemptions and transfers may be granted is 50% of the total credits in the master’s degree program. All transfer of credit is based upon the determination of equivalency.

Students requesting credit shall make the request in writing and provide an official institutional transcript. A grade of “B” or better is required to be considered for transferability. Additional documentation or testing may be requested to support the coursework completed.

Credit for prior experiential learning is granted only if the prior learning is equivalent to a college or university level of learning, the learning experience demonstrates a balance between theory and practice, and the credit awarded for the prior learning experience directly relates to the Institute’s degree program and is applied in satisfaction of some of the degree requirements.

Each college or university level learning experience must be documented by the student in writing and shall be evaluated by faculty qualified in that specific subject area, who shall ascertain the appropriate equivalency and number of credits that may be given. Faculty evaluating prior learning shall prepare a written report indicating the documents in the student’s record on which the faculty relied and the bases for determining equivalency and number of credits. The decisions of the faculty may be appealed to the provost, who is responsible for reviewing such faculty determinations, and who shall document such periodic reviews to assure compliance with all regulations and policies. The amount of credit awarded shall not be related to the amount charged for the assessment process. $100 per course is charged for the evaluation of experiential learning.

Mount Madonna Institute does not accept hours or credit through challenge examinations or achievement tests.

The transferability of credits a student earns at Mount Madonna Institute is at the complete discretion of an institution to which the student may seek to transfer.

Acceptance of the degree, diploma, or certificate a student earns in the educational program is also at the complete discretion of the institution to which the student may seek to transfer. If the credits or degree, diploma, or certificate earned at this institution are not accepted at the institution to which the student seeks to transfer, the student may be required to repeat some or all of the coursework at that institution.

For this reason, a student should make certain that their attendance at another institution will meet their educational goals. This may include contacting an institution to which a student may seek to transfer after attending Mount Madonna Institute to determine if the credits, degree, diploma, or certificate will transfer.

Articulation Agreements

Mount Madonna Institute has not entered into a transfer or articulation agreements with any other college or university.
Student and Campus Services and Facilities

LIBRARY SERVICES
Mount Madonna Institute maintains a print book collection in the Orchard House and an instructional digital collection in the Wisdom Library. These resources further knowledge about and inquiry into the classical systems of Yoga and Ayurveda.

To complement these academic resources, MMI purchases "Friends of the UCSC Library” cards (FOTL)” from the University of California Santa Cruz Libraries, to support MA students’ scholarly research. The FOTL card permits borrowing privileges at the McHenry Library and the Science and Engineering Library and online access to ProQuest Research Library, a digital library of journal and newspaper articles which includes many peer-reviewed Ayurveda journals.

STUDENT ACADEMIC SERVICES
Mount Madonna Institute Core Faculty and Course Instructors and assistants maintain ongoing contact with the student through-out the course of study and are available to support the student. The Institute provides learning resources through the library facilities already described and career information as part of the curriculum. Clinical student supervision is provided by experienced Institute clinical faculty, which includes Ayurveda BAMS and MD Ayurveda level clinicians.
Mount Madonna Institute provides career information as part of the curriculum. However, MMI does not provide employment placement. Mount Madonna Institute cannot and does not guarantee employment or salary.

CAMPUS - MOUNT MADONNA CENTER
Mount Madonna Institute has full use of the Mount Madonna Center’s 380 redwood-forested campus overlooking the Monterey Bay. MMI offices are housed in the Orchard Building, which also includes a small library. Classrooms are located in the Seminar House, Orchard House, and other Center meeting spaces, depending upon the size of the class. Student housing is located according to availability, and may be in the Seminar House, Oaks Cabins, the Conference Center when available, and camping spaces are plentiful. Student dining is in the Community Building. The campus includes redwood forested hiking trails, a pond, meditation and yoga room, Vedic Temple, and Mount Madonna’s Children’s school (PK-12th) campus, including classrooms, playing fields, playgrounds, and library.

The Institute complies with the BPPE 5 CCR 71735 regarding facilities and equipment. It has sufficient facilities and all necessary equipment to support the achievement of the educational objectives and all courses and educational programs in which students are enrolled.

Please note: The US Department of Labor’s Standard Occupational Classification Codes do not yet include job classification codes for Ayurveda and Yoga professionals nor for Ayurvedic Health Counselors, Ayurvedic Practitioners, nor MA – Ayurveda graduates. Though 1,000’s of years in practice, the fields of Ayurveda and Yoga are newly emerging professions in the western Integrative Health Sciences. https://www.bls.gov/soc/2018/major_groups.htm

The Institute is on the campus that includes a 45-year-old multi-generational residential community. Students benefit greatly from interacting with the community and sharing extra and co-curricular experiences with them such as holiday celebrations, performances, sports competitions and entertainment. The community forms the basis of the Community Studies program, which has at its core, service to the greater society.

The Yoga School offers myriad opportunities for yoga practice consisting of meditative and contemplative arts, physical exercises, and philosophical study. Ashtanga yoga teaches practices for self-development based on service, community and right action. These offerings also compliment the Ayurveda focus on wellness of mind, body and spirit and students.

The Sankat Mochan Hanuman Temple on the property is dedicated to Hanuman, the energy of devoted service and healing. Many find the peaceful atmosphere conducive to introspection and self-study.

Mount Madonna School, a private WASC/CAIS Accredited PK-12th children’s school, also shares the 380 acres red wooded campus. The children have access to the entire campus and their energy and enthusiasm for learning is inspiring. There are also MMS sponsored shared learning opportunities such as Summit for the Planet, Cultural Awareness Assembly, and Science
The natural beauty of the campus, its flora and fauna, contributes to the learning environment experience and naturally fosters environmental stewardship sensitivities.

**MOUNT MADONNA INSTITUTE WELLNESS CENTER**

For more than 35 years, Kaya Kalpa and Ayurveda World have been providing a variety of health and wellness services to students, staff, and guests at Mount Madonna Center. They share a nourishing environment in the redwoods in support of relaxation, and the restoration and rejuvenation of the body, mind, and spirit.

**KAYA KALPA WELLNESS CENTER**

Kaya Kalpa (translation: body immortal) is a system developed in India by early practitioners of Yoga to balance the nervous system, tone and maintain the life force energy, and enhance longevity.

In the comfortable, nurturing environment of Kaya Kalpa’s wellness facility, an expert staff of professional practitioners provide a range of therapeutic bodywork, including ancient Ayurvedic treatments applied for thousands of years, western style massage therapy, and individualized yoga sessions and Ayurvedic consultations (by appointment).

**AYURVEDA WORLD**

For over 35 years, Ayurveda World has served as Mount Madonna Center’s Ayurvedic herbal products laboratory and store. Based on traditional Ayurvedic principles and processes, Ayurveda World produces individualized herbal formulations, tinctures, oils, and other therapeutic remedies. Ayurveda uses synergistic blends of herbs and medicinal substances to support the efficient functioning of the body and to address underlying imbalances. The store also offers Ayurvedic books, teas, remedies, and oils for purchase.

Students volunteer in the Ayurveda World herbal laboratory to expand their knowledge experientially.

Individual Herbal Consultations are available by appointment here: [https://ayurveda-world-herb-store.square.site/herbal-consultations](https://ayurveda-world-herb-store.square.site/herbal-consultations)

**COMMUTING AND HOUSING OPTIONS DURING RESIDENTIAL SESSIONS**

Mount Madonna Center (MMC) is available to provide on-site housing and all meals for Institute students in an environment highly supportive of learning the Institute’s disciplines.

Overnight housing is not required to attend MMI programs. However, students have a choice from a wide range of housing options at Mount Madonna Center should they prefer to stay onsite. Students are welcome to stay off site and pay only the commuting rate ($53.00 per day as of October 1, 2022). This commuting fee covers all meals and full use of the property during all on-site sessions.

Rooms at MMC are in hotel-style buildings (no phones or TVs in rooms). Some rooms include a private bathroom with shower. Others have access to nearby shared (but private while in use) bathrooms and showers. Cabins are located in a forest grove, and include electricity and heat, but not indoor plumbing. A separate shower house (with private shower and dressing rooms, and clean, well-ventilated privies) is nearby. Campgrounds are located in secluded redwood groves and have running water, tents provided by the Institute, and tent sites for your own tent. These options, and their respective costs per person per day, including vegetarian meals and use of all other facilities, are listed below.

No refund or adjustment of the meals-lodging fees can be made unless notice of cancellation, housing change, or missed time is received a minimum of 14 days prior to the arrival date.

Mount Madonna County Park, located two miles away from the MMI campus, offers overnight camping sites, and students may find a variety of options online at airbnb.com, and hotels.com for the Gilroy, Watsonville, and Santa Cruz areas. Mount Madonna Institute does not provide further assistance for students who prefer to commute.
2022 Daily Commute/Meals & Optional Lodging Fees

The following per person / per day rates include all meals, lodging, and use of all other facilities.

All MMI students are required to pay the daily commute rate unless they have arranged for onsite overnight accommodations with MMC and will therefore pay that corresponding rate.

School of Yoga Program Scholarships:

School of Yoga prospective students may complete a scholarship application for the 200-hour and 300-hour Yoga Teacher Training programs. Scholarship Applications are included in the standard program application form and must be submitted at least 60 days prior to the start date of the program. Scholarships award amounts are based on availability.

**Please note:** No payment plans are available for Prenatal Yoga Teacher Training and Children’s Yoga Teacher Training programs.
Student Rights and Responsibilities

Students’ rights include access to knowledge in a safe and respectful setting. Students have the right to high-quality education and study opportunities.

Students’ responsibilities include sincerity, dedication, and respect of the teacher, both in and out of the classroom. Professional standards of behavior apply. Students are responsible for regular, punctual attendance, timely submission of assignments, cooperative behavior, and prompt communication of any concerns.

Respect for self and others is the founding principle governing scholastic regulations. Students may request a copy of their academic records at any time from the Registrar.

**ATTENDANCE POLICY**
All sessions must be punctually attended. An attendance record of at least 90% is required in all Schools. The Program Coordinator may require the student to make-up a missed session. If required, additional fees may be charged for the make-up session at the rate of $50.00 per hour, paid in advance.

**GRADING POLICY**
A standard of 3.0 (83%) or better for graduate students, and a standard of 2.0 (73%) or better for undergraduate students, for all assignments, including the aggregate of weekly quizzes, monthly tests, quarterly exams, and final oral and written examinations constitutes a passing grade. Quarter-end evaluations provide an opportunity to outline specific areas for student skill development and improvement.

A GPA in the top 10% of the class constitutes Honors Achievement status.

Timely submission of all assignments is required (including a make-up session if previously required). Students must be able to demonstrate comprehension of the material and a capacity to communicate it. All work must be completed by the end of the trimester before a grade will be awarded for any course and before a student may advance to the next trimester. The Program Coordinator has the discretion to allow an extension for exceptional reasons only. The maximum time allowed for any extension is one month from the end date of the trimester. A course will be considered incomplete until completed work is submitted to the Program Coordinator. If the student fails to complete the work in the time allowed, the student must repeat the entire course to receive credit for that course.

A Graduate Student (MA-Ayurveda) must achieve a cumulative grade point average (GPA) of 3.0 to earn a degree. A cumulative GPA below 3.0 will place a student on academic probation. GPA is determined by dividing the total number of grade points earned by the total number of units completed in letter-graded courses. If a course has been repeated and paid for, only the units and grade points earned for the higher passing grade are computed in the GPA. In letter-graded courses, units with grades of NC, W, I, or NR are not computed in the GPA.

See Grading Chart below:

</table>
AWARD OF ACADEMIC CREDIT HOUR

Mount Madonna Institute (MMI) has established and implemented the Policy on Academic Credit Hour, consistent with WASC Guidelines.

The Semester Academic Credit Hour is the amount of work represented in course learning outcomes and verified by evidence of student achievement which is an institutionally established equivalency that reasonably approximates not less than –

1. One hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class student work each week for approximately fifteen weeks for one semester or trimester hour of credit; or
2. At least an equivalent amount of work as required in paragraph (1) of this definition for other academic activities as established by the institution, including laboratory work, internships, practica, studio work, and other academic work leading to the award of credit hours.

The Mount Madonna Policy recognizes the Semester Credit Hour as follows:
One hour of coursework over the period of a fifteen (15) week trimester, or the equivalent.

Didactic coursework = 15 hours, Lab = 30 hours, Practicum or Externship = 45 hours, each with a minimum of two hours of outside work, as confirmed with course syllabi. At the graduate level, typically, more than three hours of study for every hour in class is expected.

Validation of this Policy Statement is provided through the following practices:

Mount Madonna has implemented this policy and established a process and timeline for review as follows:

1. Adoption of a policy on credit hour for all courses and programs at the institution;
2. Review periodically of the application of its policy on credit hour across the institution to assure that credit hour assignments are accurate and reliable;
3. Variations in the assignment of credit hours to assure conformity to commonly accepted practices in higher education.

STUDENT PROGRESS, PROBATION AND DISMISSAL POLICY

If a student is unable to attend more than one weekend residential course, they must advise the Program Coordinator in writing as to the reason and this will be forwarded to the Chair to determine if the student needs to request a formal Leave of Absence.

If a student misses one weekend residential (2 courses) without communication to the Program Coordinator, they may be placed on academic probation with written notice of same. Students may be placed on probation for academic insufficiency (a cumulative GPA below 3.0 for graduate students and 2.0 for undergraduate students), misrepresentation, failure to meet attendance standards, breech of Student Conduct Policy, or any other violation of the Institute’s guidelines.

REGULATIONS AND STUDENT CONDUCT POLICY

The student is responsible for meeting the Institute’s standards including the Student Conduct Policy.

The Institute maintains a vegetarian environment. Food is provided as part of the commuting or housing fees, and no food may be brought to the premises.

- As a general rule for all programs, Mount Madonna Center (MMC) requires that no food or drinks be consumed in a classroom. Meeting spaces with kitchens may be an exception.
- No smoking or drugs are allowed on MMC or the Institute’s premises.
- Please turn cell phones off in class. Computers are allowed.
- No recording of audio or video is allowed except by Mount Madonna Institute, unless there is a medical necessity.
- Students are not permitted to copy or distribute their lecture notes or to sell them in whole or in part to anyone without the Institute’s permission.

The Institute expects the students’ honesty, courtesy, and cooperation at all times, both in and out of the classroom setting. Equality of opportunity in education is provided in admission of students and hiring and promotion of faculty without discrimination on the grounds of race, color, religion, national origin, gender, age, marital status, disability, or sexual orientation.
Students and staff have the right to work and attend classes in an atmosphere free from harassment.

The Board of Directors has primary responsibility for ensuring academic freedom for faculty, students, and the entire Institute community. No faculty member, student, or member of the Institute’s larger community shall be censured, penalized, or discriminated against for any behavior within accepted standards of free speech and academic freedom.

**STUDENT GRIEVANCES**

Mount Madonna Institute “student” refers to any individual whose application has been accepted and is officially enrolled in any program offered by the College of Ayurveda, and/or the Schools of Yoga and Community Studies. This includes Foundations of Ayurveda, Ayurvedic Health Counselor Program, Certificate - Ayurvedic Practitioner Program, Master of Arts – Ayurveda Program, Ashtanga Yoga Teacher Training (YTT) Programs at the 200 Hour and 300 Hour, Prenatal and/or Children’s YTT, Ayurveda Yoga Therapy Program, and Community Studies – Part One and Part Two.

The Institute Student Grievance Policy and Procedure provides MMI students with a method for addressing concerns that may arise regarding MMI’s academic or administrative policies for students. The procedure provides a thorough review of a student complaint and affords due process rights with the intent of arriving at a mutual agreement among all parties.

A “grievance” is generally defined as an allegation by a student, or a group of students, of a breach, misinterpretation, or misapplication of MMI’s policy or procedure as set forth in the Catalog. The grievance may be against the process used and/or against the outcome.

Mount Madonna Institute (MMI) values harmony and collegial fellowship among students, faculty, staff, the administration, and with our extended communities. Our intention is to resolve grievances and rectify any situation that may have led to an injustice or a misunderstanding quickly and fairly.

In order to maintain or restore harmony and collegial fellowship, MMI encourages and supports a student(s) who wish to address any concern with the person(s) who is (are) directly involved in the concern, in an effort to come to a satisfactory, informal resolution. MMI can provide support for a student through mediated conversations upon a request by the student. The student may choose an advocate to participate with her/him. A student may also discuss the matter with his/her Program Coordinator, or a faculty member or supervisor in whom the student places confidence. Informal meetings may also be held both with the student and with the faculty or staff members involved in the concern to help re-store a working relationship based in fairness, and to resolve the particulars of the concern. In most cases, such concerns can be resolved at that level.

If these informal direct discussions are not successful, the student may pursue a formal avenue through the Student Grievance Policy and Procedure. Procedures are available for both Academic Grievances and Administrative Grievances.

A formal grievance is initiated by a student completing and filing a Student Complaint and Grievance Notification Form available on the Institute website (www.mountmadonnainstitute.org/students) and in the student orientation documents. A student may also request the Student Complaint and Grievance Notification Form by calling 408-846-4060.

**Formal Procedure for Resolving Administrative Grievances**

A formal grievance involving a non-academic matter(s) must be addressed to the President, and/or the Chief Financial Officer (CFO). It must be submitted in writing on the Student Complaint and Grievance Notification Form, available on the Institute website (www.mountmadonnainstitute.org/students) and in the student orientation documents. This Form may also be obtained by calling 408-846-4060.

The President and/or CFO will review the grievance and investigate the complaint within 30 days. The President and/or the CFO will gather information from the parties to the grievance and keep a record and/or summary of this information. After review, the President and/or the CFO will recommend a solution arrived at by mutual agreement. If mutual agreement cannot be reached, a resolution will be determined, and the grievant will be notified of the resolution in writing. Copies of all records will remain confidential and be maintained by the Office of the President.

If the matter involves the CFO, it must be addressed to the President.
If the matter involves the President, it must be addressed to the Chair of the Mount Madonna Institute Board of Directors.

**Appeal Process**
For both academic and administrative grievances, if the parties accept the resolution, the grievance is considered to be settled. If the resolution is not acceptable, then the grievant(s) may appeal the resolution in writing within 15 days of the date the resolution is mailed (email or snail mail acceptable) to the grievant(s). If the appeal is not submitted within the prescribed time limit, the entire process terminates.

If the grievant(s) elects to appeal, academic and/or administrative appeals are submitted to the President, along with the written record from the previous steps.

Within 30 days of appeal to either party, the President will convene a temporary “Special Hearing” committee to further investigate the grievance. The committee may include any of the following members, depending upon the circumstances: faculty members, Provost, CFO, President, or others. This committee will make recommendations as described below within 45 days after being convened.

The committee will recommend steps to the parties to provide an amicable and mutually acceptable solution. If the parties cannot agree on a solution, the committee will declare a resolution in writing. Grievant(s) who do not accept the decision of the committee must file a written appeal to the President within 15 days of the date the committee’s resolution is mailed to the grievant(s). The President will accept, reject, or revise the committee’s decision and communicate the final resolution to the grievant(s). This decision will be based on the record and the President will not reopen the matter for additional evidence or argument. The action of the President will be final.

If the President is the object of the grievance, the grievance will be referred to the Chair of the MMI Board of Directors. In this case, the Chair of the Board will convene a temporary “Special Hearing” committee to further investigate the grievance. The committee may include any of the following members, depending upon the circumstances: Board members, faculty members, Provost, CFO, or others. The committee will make recommendations as described below within 45 days after being convened.

The committee will recommend steps to the parties to provide an amicable and mutually acceptable solution. If the parties cannot agree on a solution, the committee will declare a resolution in writing. Grievant(s) who do not accept the decision of the committee must file a written appeal to the Chair of the Board, within 15 days of the date the committee’s resolution is mailed to the grievant(s). The Chair of the Board will accept, reject, or revise the committee’s decision and communicate it to the grievant(s). This decision will be based on the record and the Board will not reopen the matter for additional evidence or argument. The action of the Chair of the Board will be final.

Students may also address their grievances to the Bureau for Private Postsecondary Education at 1747 N. Market Blvd, Ste 225, Sacramento, CA 95834 or PO Box 980818, West Sacramento, CA 95798-0818, www.bppe.ca.gov, or toll-free telephone numbers: (888) 370-7589 or (916)574-8900 or by Fax (916) 263-1897.

**Effect of Complaints**
No student’s right or remedies will be limited or waived as a result of his or her participation in a complaint procedure or as a result of the decision regarding the complaint.

Any member who serves on a ‘Special Hearing’ Committee convened by the President or the Chairman of the Board of Directors shall not be terminated in his/her volunteer services as a result of involvement in or decisions made regarding any complaint case.

**STUDENT RECORDS**
The Institute will maintain student records for a period of not less than five years from the last date of attendance at the Institute. Transcripts will be maintained permanently. Records will be immediately available during normal business hours for inspection and copying by anyone authorized to do so.

One unofficial transcript per student is provided at no cost by Mount Madonna Institute. Additional unofficial transcripts will be provided for a $15 fee per transcript. Official electronic transcripts are available for a $15 fee per transcript, and official
hard copy transcripts are provided for a $20 per transcript.

Transcripts must be requested two weeks in advance by sending an email to the School’s Registrar, or
info@mountmadonnainstitute.org, or by calling 408-846-4060.

**LEAVE OF ABSENCE POLICY**
Mount Madonna Institute understands that sometimes unexpected circumstances arise that may interfere with a student's ability to continue without interruption in the program. Students with a medical or other extenuating circumstances that may require them to be gone for more than the MMI equivalent of nine consecutive in-seat classroom days are required to submit a Leave-of-Absence request to their Department Chair, which will also be filed with the Registrar.

A Leave-of-Absence will be granted only to students who have a family emergency, medical reason, military service requirement, jury duty, or other serious personal reasons. Mount Madonna Institute reserves the right to determine on a case-by-case basis the time necessary for a Leave-of-Absence. A $100 Change of Agreement fee is incurred to take a Leave-of-Absence and all students must have paid tuition for all classes attended before being granted the leave.

The maximum time frame for a Leave-of-Absence or combined Leave-of-Absence is until the start of the next program offered from which the student is taking a Leave-of Absence. This is the MMI equivalent to “180 classroom days, or 6 months.” A student must return whenever their next required course is scheduled the following year. If this timeline is met, the original Program Enrollment Agreement remains in effect. This Leave-of-Absence maximum time frame cannot be extended. Only one Leave-of-Absence Request is allowed, per student, per program.

When a student is approved to take a Leave-of-Absence, a Leave-of-Absence Form must be signed in advance. If unforeseen circumstances preclude this possibility, the form will be collected at a later date, and the reason for the delay will be documented.

Incomplete courses at the time of Leave will be required to be retaken upon return. Students required to repeat courses will incur a charge of $175.00 per course. There will be an additional charge for new program courses not included in the original Enrollment Agreement, and not covered by the original total tuition, based on the current hourly tuition rate.

If the student does not return from a leave on the date noted, she/he will be considered “withdrawn from the program” and the original Enrollment Agreement is cancelled at that time. Students must have paid tuition for all classes attended before being granted the leave.

In the event a refund is due, a refund calculation is based on the student’s last day of attendance, according to the 60% Guideline. (See Withdrawal Policy)
STUDENT DISCOUNT and SCHOLARSHIP POLICY
All tuition discounts and scholarships are pro-rata.

In a case of withdrawal from a program, the discount or scholarship will be prorated to the percentage of the program completed.

College of Ayurveda Program Discounts:
See pgs. 82-85 for more details about tuition discounts.

2022 Early Bird Tuition Discount
• To qualify for Early Bird discounts, application, signed enrollment agreement and initial deposit must be submitted by the Early Bird (EB) deadlines.

Repeating Ayurveda Courses:
• Ayurveda students may repeat an AHC, C-AP or MA-Ay course already taken, passed, and paid for, at a reduced rate of $175 per course, if taken during the next program offered.

School of Yoga Program Scholarships:
School of Yoga prospective students may complete a scholarship application for the 200-hour and 300-hour Yoga Teacher Training programs. Scholarship Applications are in the standard program application form and must be submitted at least 60 days prior to the start date of the program. Scholarships award amounts are based on availability.

College of Ayurveda Scholarships:
College of Ayurveda prospective students may complete a scholarship application for any and all Ayurveda programs. Scholarship Applications are provided to students upon request as part of the program application and must be submitted by the program application deadline. Scholarships award amounts are based on availability.

Ayurveda World Discounts:
Active students currently enrolled in a MMI certificate program are entitled to a 5% discount on products at Ayurveda World.

FINANCIAL AID / LOANS
Mount Madonna Institute does not currently participate in federal or state financial aid programs.

If a student obtains a loan, such as a personal loan, to pay for an educational program, the student will have to repay the full amount of the loan plus interest, less the amount of any refund.
STUDENT’S RIGHT TO CANCEL

1. The student has the right to cancel the Enrollment Agreement for a program of instruction, without any penalty or obligations, through attendance at the first class session or the seventh calendar day after enrollment, whichever is later. After the end of the cancellation period, a student also has the right to stop school at any time; and you have the right to receive a pro rata refund if 60 percent or less has been completed of the scheduled days in the current payment period in the program through the last day of attendance.

2. Cancellation may occur when the student provides a written notice of cancellation addressed to the Registrar at the following address: 445 Summit Road, Watsonville, CA 95076. This can be done by mail, email, or by hand delivery.

3. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.

4. The written notice of cancellation need not take any particular form and however expressed; it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

5. If the Enrollment Agreement is cancelled, the school will refund the student any money paid, pro rata (if the student completed 60 percent or less of the scheduled days in the current payment period in the program through the last day of attendance), less an application fee not to exceed $250.00 and within 45 days after the notice of cancellation is received.

WITHDRAWAL FROM THE PROGRAM

You may withdraw from the school at any time after the cancellation period (described above). A $100 Change of Agreement fee is incurred in the case of withdrawal.

Refunds

The student will receive a pro rata refund as long as they have completed 60 percent or less of the educational program “period of attendance.” “Period of Attendance” for each program = current trimester.

A pro rata refund shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student, calculated as follows: (1) The amount owed equals the daily charge of the program (total institutional charge, divided by the number of days or hours in the program) multiplied by the number of days or hours the student attended, or was scheduled to attend, prior to withdrawal.

The refund will be less the non-refundable application/registration fee (not to exceed $250.00) and within 45 days after the withdrawal is determined.

If the student has completed more than 60 percent of the period of attendance (trimester) for which the student was charged, the tuition is considered earned and the student will receive no refund.

For the purpose of determining a refund under this section, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the institution in writing to the Registrar via email, hand delivery, or written notice mailed to 445 Summit Road, Watsonville, CA 95076 of the student’s intention to withdraw, or as of the date of the student’s withdrawal, whichever is later.
- The institution terminates the student’s enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absences in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the school. (Such termination is subject to appropriate due process and determined by the provost in consultation with the student, Program Coordinator and Chair.)
- The student has failed to maintain a minimum of a 90% cumulative attendance rate.
- Failure to return from a Leave of Absence.

For the purpose of determining the amount of the refund, the date of the student’s withdrawal shall be deemed the last date of recorded attendance.

For programs beyond the current “payment period,” if a student withdraws prior to the next payment period, all charges
collected for the next period will be refunded. If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal financial aid funds.

**Tuition Owed**

If the student has completed more than 60 percent of the period of attendance (trimester), the student will be responsible for the full tuition cost for the period of attendance. i.e., full trimester tuition is due at the time of withdrawal.

**STUDENT TUITION RECOVERY FUND**

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss.

Unless relieved of the obligation to do so, a student in an educational program, who is a California resident or enrolled in a residency program, and prepaid all or part of trimester tuition, must pay the state-imposed assessment for the STRF.

Students are not eligible for protection from the STRF and are not required to pay the STRF assessment, if they are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law. However, no claim can be paid to any student without a social security number or a taxpayer identification number.”

ACADEMIC FREEDOM
The Mount Madonna Institute, in order to create an environment and an atmosphere most conducive to excellent teaching, and to provide students with the most appropriate learning conditions, adopts the following policy for Academic Freedom:

Academic Freedom includes the protection of the opportunity for the teacher to teach, and for the teacher and the student to study, without coercion, censorship, or other forms of restrictive interference. Academic freedom encourages the flow of ideas with the recognition that freedom to teach and freedom to learn imply both rights and responsibilities within the framework of the law and the Institute’s policies and curricular objectives.

Core Faculty in-charge, as citizens, members of a learned profession, and representatives of the Mount Madonna Institute shall be free from censorship and discipline when speaking or writing. However, the special position of Core Faculty in-charge imposes special obligations. The faculty, as representatives of the Institute should be accurate, objective, exercise appropriate restraint, encourage a spirit of initial respect for the opinion of others, and ensure the relevancy of subject matter to their instructional areas.

DIVERSITY AND INCLUSION
Mount Madonna Institute (MMI) takes great pride in its recognition as an institution of higher learning. Mount Madonna Institute intends to ensure that diversity, inclusiveness, and respect are integral parts of our day-to-day engagement, throughout our environment and activities. We aim to set a strong example by acknowledging, appreciating, and respecting the differences we recognize in one another. We understand that diversity helps create a positive work and learning environment where all individuals have the opportunity to reach their full potential and maximize their contributions towards MMI’s mission. In addition, we recognize that continued success in meeting the needs of our students, faculty, staff, alums, volunteers and employees requires the full and active participation of talented and committed individuals. In essence, diversity includes all the characteristics, experiences, and cultural influences that make each of us unique.

MMI is committed to reflecting and fostering an inclusive culture and environment that embraces the diversity in all our endeavors. All individuals are welcome at MMI, and all individuals, regardless of race, color, age, national origin, sex (including transgender status, gender identity, and pregnancy), religion, disability, genetic information, sexual orientation, marital status, political affiliation, status as a parent, or those who have engaged in prior Equal Employment Opportunity activities, will be treated with respect and dignity.

Each member of the MMI community shares the responsibility to ensure diversity and inclusion throughout the organization. MMI asks each individual to dedicate themselves to encouraging each other to actively embrace these principles of diversity.

The Institute’s recognition of diversity is evident in the following:

1. Diversity of students, administration, faculty and staff:

The Institute strives to support diversity with recognition of the rights and abilities of all members of the Institute community, to include religion or philosophical thought, age, ethnicity, sexual orientation and gender. Our institutional mission, values
and commitments are best evidenced through the diverse nature of the populations of which we are constituted.

2. Diversity in the teaching, promotion of student cultural awareness, and scholarly efforts:

The Institute values the academic, intellectual, and experiential background of our administration and instructional faculty, and encourages the ways in which they lend this expertise to the benefit of cultural and intellectual awareness to our student population. This is accomplished through expanding the conceptual framework as students research and acquire the projected skills and competencies in the program subjects to which they have committed.

3. Diversity in styles of leadership, mentoring, and strategic development:

The Institute benefits from the variety of cultural and philosophical differences that constitute the wide range of governance, leadership, and management that makes up this higher education environment.

The strength and direction provided by leadership at all levels is dependent on the organizational contributions of each member.

NON-DISCRIMINATION and UNLAWFUL HARASSMENT POLICY

MMI maintains a policy of providing equal opportunity in all aspects of its employment and operations.

It is the policy of MMI to ensure equal employment opportunity for all applicants and employees regardless of race, color, religion, age, sex, gender, gender identity and expression, sexual orientation, national origin, disability status, protected veteran status, or any other characteristic protected by law. MMI’s policy of equal employment opportunity applies to all aspects of MMI’s employment policies and procedures, including, without limitation, recruitment, employment, promotion, training, working conditions, wages and salary administration, and employee benefits and benefit plan administration.

It is the policy of MMI to ensure equal opportunity in all aspects of the administration of its programs and activities, including, without limitation, equal opportunity for all applicants seeking admission to its educational programs, tuition assistance, or access to any services, research opportunities, or other program or activities offered by MMI, without regard to race, color, religion, age, sex, gender, gender identity and expression, sexual orientation, national origin, disability status, protected veteran status, or any other characteristic protected by law.

Purpose

Mount Madonna Institute (MMI) maintains a commitment to and a policy of nondiscrimination and non-harassment in the workplace. All relationships in the workplace and in the classroom are to be professional and respectful, free of bias, prejudice, and harassment. MMI administration and directors are required to attend training every other year regarding maintaining a harassment free workplace. MMI intends to model and enforce the State and Federal policies. Any person doing business for or with MMI will be subject to these policies and all recommended procedures will be followed for employees, volunteers, faculty, students, contractors. These policies extend to on and/or off campus business and school sponsored events. Reports of all unacceptable conduct will be promptly investigated, and corrective action taken. Any behavior that is found to be discriminatory, harassing, or retaliatory will have consequences.

MMI has zero tolerance for any conduct that violates this policy. Conduct need not arise to the level of a violation of law to violate this policy. Instead, a single act can violate this Policy and provide grounds for discipline or other appropriate sanctions.

Harassment or discrimination against an applicant, volunteer, student, independent contractor, or employee by a supervisor, management employee, co- worker, student or contractor on the basis of race, religion, sex (including gender and pregnancy), national origin, ancestry, disability, medical condition, genetic characteristics, marital status, age, sexual orientation (including homosexuality, bisexuality, transgender, non-binary, (LGBQT) or heterosexuality), or any other protected classification as defined below, will not be tolerated.

This Policy applies to all terms and conditions of volunteerism, employment, including, but not limited to, hiring, placement, promotion, disciplinary action, layoff, recall, transfer, leave of absence, compensation, and training.

Disciplinary action or other appropriate sanction up to and including termination will be instituted for prohibited behavior as
defined below. Any retaliation against a person for filing a complaint or participating in the complaint resolution process is prohibited.

Individuals found to be retaliating in violation of this Policy will be subject to appropriate sanction or disciplinary action up to and including termination.

**Definitions**

*Protected Classifications:* This Policy prohibits harassment or discrimination because of an individual's protected classification. "Protected Classification" includes race, religion, color, sex (including gender and pregnancy), sexual orientation (including heterosexuality, homosexuality, transsexuality, and bisexuality, national origin, ancestry, citizenship status, marital status, pregnancy, age, medical condition, genetic characteristics, and physical or mental disability. It also includes status as a veteran or a member of the uniformed services.

*Policy Coverage:* This Policy prohibits school officials, officers, employees, students, volunteers, or contractors from harassing or discriminating against applicants, officers, officials, employees, students, volunteers, or contractors because:

- of an individual's protected classification
- of the perception that an individual has a protected classification
- the individual associates with a person who has or is perceived to have a protected classification.

*Discrimination:* This policy prohibits treating individuals differently because of the individual's protected classification as defined in this policy.

*Harassment* may include, but is not limited to, the following types of behavior that is taken because of a person's protected classification. Note that harassment is not limited to conduct by Mount Madonna Institute's employees. Under certain circumstances, harassment can also include conduct taken by those who are not employees or students, such as elected officials, appointed officials, persons providing services under contracts, or even members of the public:

- Speech, such as epithets, derogatory comments or slurs, and propositioning on the basis of a protected classification. This might include inappropriate comments on appearance, including dress or physical features, or dress consistent with gender identification, or race-oriented stories and jokes.
- Physical acts, such as assault, impeding or blocking movement, offensive touching, or any physical interference with normal work or movement. This includes pinching, grabbing, patting, propositioning, leering, or making explicit or implied job threats or promises in return for submission to physical acts.
- Visual acts, such as derogatory posters, cartoons, emails, pictures or drawings related to a protected classification.
- Unwanted sexual advances, requests for sexual favors and other acts of a sexual nature, where submission is made a term or condition of employment, where submission to or rejection of the conduct is used as the basis for employment decisions, or where the conduct is intended to or actually does unreasonably interfere with an individual's work performance or create an intimidating, hostile, or offensive working environment.

**Guidelines for Identifying Harassment**

To help clarify what constitutes harassment in violation of this Policy, use the following guidelines:

- Harassment includes any conduct which would be "unwelcome" to an individual of the recipient's same protected classification, and which is taken because of the recipient's protected classification.
- It is no defense that the recipient appears to have voluntarily "consented" to the conduct at issue. A recipient may not protest for many legitimate reasons, including the need to avoid being insubordinate or to avoid being ostracized.
- Simply because no one has complained about a joke, gesture, picture, physical contact, or comment does not mean that the conduct is welcome. Harassment can evolve over time. Small, isolated incidents might be tolerated up to a point. The fact that no one is complaining now does not preclude anyone from complaining if the conduct is repeated in the future.
- Even visual, verbal, or physical conduct between two employees who appear to welcome the conduct can constitute harassment of a third applicant, officer, official, employee, or contractor who observes the conduct or learns about the conduct later. Conduct can constitute harassment even if it is not explicitly or specifically directed at an individual.
- Conduct can constitute harassment in violation of this Policy even if the individual engaging in the conduct has no
intention to harass. Even well-intentioned conduct can violate this Policy if the conduct is directed at, or implicates a protected classification, and if an individual of the recipient's same protected classification would find it offensive (e.g., gifts, over attention, endearing nicknames).

Retaliation:
Any adverse conduct taken because an applicant, employee, student, or contractor has reported harassment or discrimination, or has participated in the complaint and investigation process described herein, is prohibited. "Adverse conduct" includes but is not limited to: taking sides because an individual has reported harassment or discrimination, spreading rumors about a complaint, shunning and avoiding an individual who reports harassment or discrimination, or real or implied threats of intimidation to prevent an individual from reporting harassment or discrimination. The following individuals are protected from retaliation: those who make good faith reports of harassment or discrimination, and those who associate with an individual who is involved in reporting harassment or discrimination or who participates in the complaint or investigation process.

Preventing Harassment, Discrimination and Retaliation in the Private and Independent School Environment
Sexual Harassment is unlawful under State and Federal Statutes. MMS prohibits sexual harassment and discrimination. Facts about Sexual Harassment can be found at the following website and an excerpt is below:

http://www.eeoc.gov/facts/fs-sex.html

Sexual harassment is a form of sex discrimination that violates Title VII of the Civil Rights Act of 1964. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitutes sexual harassment when submission to or rejection of this conduct explicitly or implicitly affects an individual's employment, unreasonably interferes with an individual’s work performance, or creates an intimidating, hostile or offensive work environment.

Sexual harassment can occur in a variety of circumstances, including but not limited to the following:
- The victim as well as the harasser may be a woman or a man. The victim does not have to be of the opposite sex.
- The harasser can be the victim's supervisor, an agent of the employer, a supervisor in another area, a co-worker, or a non-employee.
- The victim does not have to be the person harassed but could be anyone affected by the offensive conduct.
- Unlawful sexual harassment may occur without economic injury to or discharge of the victim.
- The harasser's conduct must be unwelcomed.

It is helpful for the victim to directly inform the harasser that the conduct is unwelcome and must stop. The victim should use any employer complaint mechanism or grievance system available.

When investigating allegations of sexual harassment, EEOC looks at the whole record: the circumstances, such as the nature of the sexual advances, and the context in which the alleged incidents occurred. A determination on the allegations is made from the facts on a case-by-case basis.

Prevention is the best tool to eliminate sexual harassment in the workplace. Employers are encouraged to take steps necessary to prevent sexual harassment from occurring. They should clearly communicate to employees that sexual harassment will not be tolerated. They can do so by establishing an effective complaint or grievance process and taking immediate and appropriate action when an employee complains.

Complaint Procedure
If an employee, student, staff member, or a faculty member believes he/she has been subjected to or has witnessed such discrimination or harassment he/she should report the actions immediately to the Provost or President, as is appropriate. An investigation of facts will follow using confidentiality to the extent possible and consistent with a thorough investigation. The provost, and/or President will communicate the findings and any corrective action taken to the employee, student, staff member, or faculty member.

No individual will be retaliated against by the school for reporting in good faith instances of work-related harassment.
Any employee, student, staff member, or a faculty member who believes they are being retaliated against should report this behavior to the Provost or President. The employee may appeal any complaints regarding discrimination, harassment or retaliation to an Officer of The MMI Board of Directors, and also has the option to report to Outside Administrative Agencies: An individual has the option to report harassment, discrimination, or retaliation to the U.S. Equal Employment Opportunity Commission (EEOC), the California Department of Fair Employment and Housing (DFEH), the U.S. Office for Civil Rights, or the California Department of Education.

Complaint Procedure Steps:

1. An employee, student, staff member, or a faculty member, job applicant, or contractor who believes he or she has been harassed may make a complaint verbally or in writing with any of the following. There is no need to follow the chain of command:
   - Immediate supervisor
   - Any supervisor or manager within or outside of the department
   - Department Chair
   - Provost
   - President

2. Any Manager, Supervisor or Area Lead who receives a harassment complaint should notify the provost immediately. Upon receiving notification of a harassment complaint, the provost shall:
   a) Authorize and supervise the investigation of the complaint and/or investigate the complaint. The investigation will include interviews with:
      - the complainant
      - the accused harasser
      - other persons who have relevant knowledge concerning the allegations in the complaint
   b) Review the factual information gathered through the investigation to determine whether the alleged conduct constitutes harassment, discrimination or retaliation giving consideration to all factual information, the totality of the circumstances, including the nature of the conduct, and the context in which the alleged incidents occurred.
   c) Report a summary of the determination as to whether harassment occurred to appropriate persons, including the complainant, the alleged harasser, the supervisor, and the Division head. If discipline is imposed, the level of discipline will not be communicated to the complainant.
   d) If conduct in violation of the School's Policies occurred, take, or recommend to the appointing authority prompt and effective remedial action. The remedial action will be commensurate with the severity of the offense.
   e) Take reasonable steps to protect the complainant from further harassment, discrimination, or retaliation.
   f) Take reasonable steps to protect the complainant from retaliation as a result of communicating the complaint.

3. MMI takes a proactive approach to potential Policy violations and will conduct an investigation if its officers, supervisors, or managers become aware that harassment, discrimination, or retaliation may be occurring, regardless of whether the recipient or third party reports a potential violation.

4. Option to Report to Outside Administrative Agencies: An individual has the option to report harassment, discrimination, or retaliation to the U.S. Equal Employment Opportunity Commission (EEOC), the California Department of Fair Employment and Housing (DFEH), the U.S. Office for Civil Rights, or the California Department of Education. These administrative agencies offer legal remedies and a complaint process.

Confidentiality
Every possible effort will be made to assure the confidentiality of complaints made under this Policy. Complete confidentiality cannot occur, however, due to the need to fully investigate and the duty to take effective remedial action. As a result, confidentiality will be maintained to the extent possible. An individual who is interviewed during the course of an investigation is prohibited from discussing the substance of the interview, except as otherwise directed by a
supervisor or the provost.

Any individual who discusses the content of an investigatory interview will be subject to discipline or other appropriate sanction. MMI will not disclose a completed investigation report except as it deems necessary to support a disciplinary action, to take remedial action, to defend itself in adversarial proceedings, or to comply with the law or court order.

Students may also contact the CA Bureau for Private Postsecondary Education with questions at
1747 N. Market Blvd, Ste 225, Sacramento, CA 95834 or PO Box 980818, West Sacramento, CA 95798-0818

toll-free telephone numbers: (888) 370-7589 or (916)574-8900 or by Fax (916) 263-1897

DISABILITY POLICIES AND PROCEDURES
Equality of opportunity in education is provided in admission of students and hiring and promotion of faculty without discrimination or segregation on the grounds of race, color, religion, national origin, gender, age, marital status, disability, or sexual orientation. Students and staff have the right to work and attend classes in an atmosphere free from harassment. Facilities are Handicap Accessible. MMI adheres to the ADA and strives to meet the needs of the diverse student body. It is the responsibility of the Office of the President to address such needs. Students should address needs at the initiation of the Admissions process.

Questions may be directed to the Bureau for Private Postsecondary Education at

FACULTY RESPONSIBILITY
The Mount Madonna Institute confirms the following Statement of Policy on Faculty Responsibility:

Mount Madonna Institute recognizes the faculty body as responsible for the Academic Governance role at the Institute. Faculty are held accountable for participation in the development of curricula, academic planning, and the enforcement of academic quality. Board of Directors for the Institute also stipulate and confirm that faculty shall have jurisdiction over matters of educational policy, including requirements for admission of students, for the continuance of students in academic programs, over matters of academic dishonesty and for the award of earned degrees, under such policies and procedures.

The faculty has authority and responsibility to set, supervise, and enforce the standards of academic quality that are both necessary and sufficient to maintain the integrity of a degree awarded under the auspices of the Institute. The faculty and the administration shall have collective responsibility for academic planning and for carrying out the mission of the institution, for maintaining the focus of the institutional purpose, and for the accomplishment of institutional academic standards. This role of responsibility is addressed through Faculty Governance roles in Committee Structures such as the Curriculum Committee, which is responsible for program development, review and assessment; and in an advisory capacity to the Board of Directors standing Academic Affairs Committee.
INSTITUTE FACULTY – Academic Year 2022

Mount Madonna Institute is committed to hiring qualified faculty for all of its courses. In the College of Ayurveda, faculty hold a BAMS, MD Ayurveda, MA Ayurveda, or an equivalent terminal degree in their respective areas of training. In the School of Yoga, faculty are registered yoga teachers with Yoga Alliance or hold equivalent terminal training in their subject area. For more information, consult each faculty member’s bio listed on the website.

Please see the College of Ayurveda and School of Yoga Faculty pages on the Mount Madonna Institute website.

School of Community Studies
The Community Studies Program is currently being reimagined and redesigned, with an aim to begin again in the fall of 2022. Further details will be available in early 2022.

Updated faculty information will be added prior to that time.
THE BUREAU FOR PRIVATE POSTSECONDARY EDUCATION

All prospective students are encouraged to review this catalog prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which must be provided to you prior to signing an enrollment agreement.

A student or any member of the public may file a complaint about this institution with Bureau for Private Postsecondary Education by calling (888) 370-7589 toll-free or by completing a complaint form, which can be obtained on the bureau’s Internet Web site, www.bppe.ca.gov.

Any questions a student may have regarding this catalog that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at:
1747 N. Market Blvd, Ste 225, Sacramento, CA 95834
Or PO Box 980818, West Sacramento, CA 95798-0818
www.bppe.ca.gov,
toll-free telephone numbers: (888) 370-7589 or (916) 574-8900 or by Fax (916) 263-1897

Mount Madonna Institute has never filed a bankruptcy petition, and currently has no pending petition in bankruptcy, has never operated as a debtor in possession nor filed a petition within the last 5 years nor had a petition of bankruptcy filed against it that resulted in a Chapter 11 of the United States Bankruptcy Code.

BPPE Notice to Prospective Degree Program Students

This institution is also approved by the Bureau for Private Postsecondary Education to offer degree programs. To continue to offer degree programs, this institution has met the following requirement:

To become institutionally accredited by an accrediting agency recognized by the United States Department of Education, with the scope of the accreditation covering at least one degree program. Achieve accreditation candidacy or pre-accreditation, as defined in regulations and full accreditation by July 1, 2020.

Mount Madonna Institute has been in compliance with the above California legislation since November 2019. https://www.mountmadonnainstitute.org/office-of-provost/accred

ACCREDITATION

Mount Madonna Institute is accredited by The WASC Senior College and University Commission (WSCUC) effective November 3, 2019.
WSCUC - 985 Atlantic Avenue, Suite 100, Alameda, CA 94501 –510-748-9001.

WASC/WSCUC is an agency recognized by the United States Department of Education (USDE).

Mount Madonna Institute is eligible but chooses not to participate in federal student aid programs. So, students here do not have federal student loans. Mount Madonna does offer payment plans to facilitate students in financing their studies.

PROFESSIONAL LICENSURE

No professional licenses are currently available nor required in the State of California, nor any other state within the US for professionals working in the fields of Ayurveda and Yoga.
